"NOW-A-DAYS"

says the Good Judge

A man can get a heap more satisfaction from a small chew of this class of tobacco, than he ever could get from a big chew of the old kind.

He finds it costs less, too. The good tobacco taste lasts so much longer he doesn't need to have a fresh chew nearly as often.

Any man who uses the Real Tobacco Chew will tell you that.

Our Sermonette

Let no man say when he is tempted, I am tempted of God; for God can not be tempted of evil neither tempteth he any man. Jas 1: 13.

There is a difference between temptations which the Father considers proper and the temptations which come from the adversary. The former tests of loyalty to God and the principles of righteousness, are intended to be a blessing and a help to all those who withstand them, and who thus demonstrate their loyalty to righteousness. The temptations of Satan, on the contrary, are in the nature of pitfalls and snares in evil and wrongdoing, temptations to make right wrong, and wrong appear right, putting light for darkness and darkness for light. In this sense of misrepresentation and ensnarements in evil, God tempteth no man.

The rest of them entered any way and Harold Pugh made the high mark of all entrants scoring 453 points out of a possible 500. Had you Cornett been able to compete, and had he scored only half as many points as his best record shows, the Linn County team would have taken first place.
