Methodist Church Notes
SUNDAY SCHOOL
The supreme value of the kingdom.

The Kingdom of God is not eating and drinking, but righteousness and peace and joy in the Holy Spirit. Romans 14: 17.
The collection which our good people contributed on Rally Day amounted to \$13. This will go to the Board of Sunday schools to assist in the great program they are putting forward.

Christmas is in the air and it is coming this way. There will be something doing! The little folks are dreaming about it. One small boy said "he was at the church last year and he did not know how Santa knew his name but old Mr Santa called it right out and he was going to be there again this year." The committee in charge: Rev Cook, Mrs O W Frum and Mrs Wesley.

The missionary ladies report a nice meeting at the parsonage last Friday.

The League business meeting meets at the parsonage this Wednesday evening. A report of the same will be given next week.

The Official Board held their regular meeting on Monday evening. The fact was brought to light that not enough pledges have been made to meet the local budget (including the pastor's salary) for this year by several hundred dollars. Are we going to let the preacher go to the stores to run his face for grocer's bills?

Everybody remember that Rev S A Sanford, our new Dist Supt, will be here for the first quarterly conference on next Tuesday and will deliver a sermon the

evening at 7:30. This will be something good.

We are sorry to report the illness of Sister Sneed, who has been ailing for the past week. Also Bro Ribelin, who was taken suddenly Tuesday morning with trouble in his head.

Last Wednesday evening Mr and Mrs E S Marsters left for Huntington Beach, Cali, for a six weeks' visit and a well earned rest with a son, Miss Letha Wesley, a niece of Arthur Wesley, left for Long Beach Cali, after a visit here. Also Mrs C W Green departed for her new home in San Pedro, Cali.

The High School Student Body voted to send and pay the necessary expenses of one boy to the Y M C A convention. Delos Clark was unanimously chosen.

"The Old Oaken Bucket" is being practiced nearly every evening. We know it will be good. It will be put on December 17th. Everybody come and see what home talent can do. It will pay both in laughter and amusement.

As the High School has rented the hall it has been compelled to hire a janitor. Three HS boys volunteered for the position.

"for clean oil in a clean engine"
Inside facts on a dirty job!

YOUR ENGINE requires an internal bath frequently. Road dust, carbon from the combustion chamber, and fine particles of metal worn from the bearing surfaces get into the lubricating oil in the crankcase. All this dirt circulates with the oil through the engine. If it isn't drained out regularly there's bound to be excessive wear and tear.

Gasoline also escapes past the pistons and dilutes the oil.

Modern Crankcase Cleaning Service gets rid of the dirty, diluted oil,

flushes the crankcase thoroughly and refills with clean, fresh oil.

The garages listed below are now equipped to perform this needed service quickly and for a nominal charge. We use Calol Flushing Oil, which cleanses thoroughly without danger of contaminating the fresh Zerolene refilled into the cleaned crankcase.

TODAY: Bring in your car for Modern Crankcase Cleaning Service. It will result in better engine performance and longer life for your car.
