"In Every Respect"

says the Good Judge

You get more genuine chewing satisfaction from the Real Tobacco Chew than you ever got from the ordinary kind.

The good tobacco taste lasts so long—a small chew of this class of tobacco lasts much longer than a big chew of the old kind. That's why it costs less to use.

Any man who has used both kinds will tell you that.

Put up in two styles

Get Your Motor License Early.

Motor vehicle owners who have not applied for their 1921 licenses are urged by the Secretary of State to do so at once in order to avoid congestion in the Department around the first of the coming year and also that they may avoid arrest by the peace officers for failure to carry 1921 license plates after January first. The law will be rigidly enforced by the inspector of the department. There are now over 103,000 licensed cars in Oregon. To this time about 9,000 applications for 1921 licenses have been received. The facilities of the Department are limited and unless the work involved in issuing licenses is distributed over a reasonable period car owners cannot expect to receive their license plates promptly. By delay they are improving their chances for arrest for failure to have their 1921 licenses by January 1, 1921. About October 1st blanks were forwarded to all the owners of motor vehicles for applying for 1921 licenses. If any of them failed to receive blanks it has been by reason of change of residence not reported to the office or failure of the mails. Application blanks may be secured of your chief of police or marshal, city or town recorder, sheriff, county clerk and the licensed motor vehicle dealers in your locality, or by request of the Secretary of State, Salem, Oregon.

Shedd

Last Saturday evening the Freshmen Basketball team of Albany College and the Shedd High School team met at Shedd to have a tryout in a game of basketball which resulted in a score of 53 to 13 in favor of Albany. After the game there was a "student mixer" at the school house at which Rev Van Winkle presided. At this meeting there were 18 college students, three of the faculty and three of the alumni present, also a large attendance from the local homes. The visiting team stayed over night and attended the two churches on Sunday, taking part in the work, and on Sunday evening Walter Brown conducted a joint young peoples' meeting and after the visitors had charge of the union meeting.

Mrs William Shear is reported very ill.

The title of themovies last Friday night was "Harry Carry in Human Stuff."

Mrs T J Sprenger's parents, Mr and Mrs Cook of Medford, returned home after a very pleasant visit.

Mrs H J Farwell is reported on the sick list.

Preparations are being made for a union entertainment at the W O W hall some where near Christmas at which the two churches and school will play the part of hosts.

Raymond Shedd is able to walk about on crutches.

Victor Clay had the misfortune to spill some poisonous medicine in one of his eyes lately and as a result he has suffered very much. It is thought that he is getting along all right now.

We are looking forward to a jolly good time when the senior class gives its play in the near future.
