Optometrist
ALBANY, OREG.
Harold Albro,
Manufacturing Optician.

Our Sermonette
How long halt ye between two opinions? If the Lord be God follow him, but if Baal, follow him. 1 Kings 18: 21.
We need to have some touchstone, as it were, some matter which will help us to decide, which will enable the mind to reach a decision quickly. This touchstone should be God's will; so that to perceive the Lord's will in respect to any question would be to settle it as quickly as discerned. Ability to decide quickly and to decide always on the right side, what the Lord's will is, requires some experience and discipline, but the sooner we begin the sooner we will become proficient. The more energetically we set our-

selves to know the Lord's will and to do it, and to show him by our promptness that we delight to do his will, the better and the more quickly will we find our characters established on proper lines.

Extension Instruction Course At Lake Creek.

Residents of the Lake Creek community will meet Friday afternoon at 2 o'clock to decide upon what subjects will be petitioned for a three days' extension school that will be sought by the community this year. Last year a two day extension school met with such success that another one and a longer one is being requested this year. The courses are provided by the extension department of the Oregon Agricultural College.

Further than that the women want a course in millinery and dress making, the nature of the course to be sought has not yet been decided upon. C R Evans has been selected as the Lake Creek community leader.

Christian Church Notes

Sunday school at 10 a. m. It is hoped there will be a good attendance in all the classes. Let us spend a full hour at study and review work in the High School class as examinations will soon be here. Remember the memory work, 1st and 23rd Psalms. Mrs Mary D Benton will preach for us the remainder of the year, when Lester Jones will take up the work the first Sunday of the new year.

The C W B M meeting was held at the home of Mrs W H Robertson Tuesday afternoon, Miss Mary La Rue leading.

The entertainment given Saturday night by the young people of Eugene was very much enjoyed and it is hoped they may be with us again in the near future.

C E topic "The Spirit of Generosity." 2 Cor 9: 6-15. Leader, Rena Walker.

Methodist Church Notes

SUNDAY SCHOOL

Jesus Feeds the Multitudes. They have no need to go away; give ye them to eat. Matt 14: 16.

Here was Jesus ready to help the hungry multitude. This is the spirit of helpfulness. This Christmas time should find this same spirit in the mind of every one. On this occasion the angelic song always comes to us and we meditate upon it and sanction it. "Glory to God in the highest, and on earth peace, good will toward men." Yet to the sympathetic heart, and to the one following the teaching of Christ there is not peace in the world as long as poor suffering humanity is starving by the millions for food and shelter and we, in a land which is never visited by such calamities, fail to give as the good Lord prospers us. The cry of distress to save the lives of three and a half millions of children in Central Europe and thirty-five million people in the famished provinces of Northern China has come to us. Great, big, tenderhearted men of our land are organizing for this appeal to be made to every one. Shall we heed it? Shall we do our Christian duty? Do we want the genuine Xmas cheer to come to our door?

Things are beginning to hum for the Xmas eve entertainment. The children's practices began at the church Monday afternoon. And things will be doing more and more until the happy event arrives. Watch for further announcements.

Bro S A Danford, our new Dist Supt, came Tuesday evening and preached a real soul-stir-

ring revival sermon, which would have helped all who were not there could they have heard it. Bro Danford is strong for evangelism and is very firm in his belief that the gospel light of Jesus Christ is the only thing that will bring to life and usefulness the lives of dying men and women. Shall we get under the burden that Bro Cook is bearing to bring a revival that will illuminate the darkness of sin in this town?

In the quarterly meeting that followed E B Penland and Beulah Miller were elected on the board of stewards and Beulah Miller was elected collector and treasurer of the Centenary fund.

School Notes

William and Collin Carver were absent from school Monday and Tuesday.

Two teachers, Mrs Kimbrell

and Miss Cook, are taking the teachers' examination at Albany this week and the teacher's training class are getting good practice as substitutes.

The grades and the high school are going to have little Christmas programs. The children are so anxious to celebrate Santa's coming that a private Xmas program is being prepared.

Come! Where? Don't you know? Haven't you heard about the High School play next Friday evening? Of course you have and you are coming too to see the "Old Oaken Bucket." The old maid with her corkscrew curls will be there, and little sunshiny Teddy too.

Besides all the serious and humorous characters in the play, you will see fair Japanese ladies glide and sing. Little moon fairies arrayed in green spangled costumes will sing "Venetian

Moon" with pleasing little exercises. Come! You will enjoy it.

Brownsville Cannery Burns.

The Brownsville cannery was totally destroyed by fire yesterday morning with an estimated loss of \$35,000.

The origin of the fire is unknown. It was discovered by a son of Dr Kent about 3 o'clock yesterday morning, who, after calling the alarm, rushed to the building and broke into the office and began removing the books and records. These with the rest of the contents of the office were all that were saved.

Lack of water pressure made the water system practically useless, but the prevailing dampness prevented the fire from spreading. At this writing the amount of insurance carried is not known.

How many miles have you driven your car?

HOW many miles-- without changing engine oil?

Dirt accumulates in the oil of every engine--carbon, road dust, fine particles of metal, and gasoline that has escaped past the pistons. This dirty, diluted oil circulating through your engine causes unnecessary wear on bearing surfaces.

Have it drained out--now--and fresh oil put in the crankcase.

We can do that for you conveniently, quickly, economically--with

Modern Crankcase Cleaning Service. We use Calol Flushing Oil, the new, scientific flushing agent, which cleanses thoroughly without danger of contaminating the supply of fresh oil. And to assure correct lubrication we refill the cleaned crankcase with Zerolene of the correct grade.

Bring in your car today. Modern Crankcase Cleaning Service will give immediate better engine performance. Done regularly it will lengthen your car's useful life.
