It is in the minds of the Short Horn club stock judging team to issue a challenge to the Marion county team to a dual stock judging contest, on account of not being able to meet them at the Pacific International Live Stock show lately held at Portland, owing to the sickness of one of its members. They already hold the state championship but they want the International also and they feel that they can outjudge the Marion county team in fair competition. If the challenge is given, it is of course up to the Marion county team to accept or reject the challenge.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Medicine is taken internally and acts thru the Blood on the Mucous Surfaces of the System thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative power of Hall's Catarrh Medicine that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. CHENEY & CO., Toledo Ohio. Sold by all Druggists, etc.
