E. S. Meade
Optometrist.
ALBANY, OREG.

Harold Albro,
Manufacturing Optician.

Random Shots Concerning the High School Play.

Last Friday night the High School rendered the play "The Old Oaken Bucket," to a full house.

While all taking part did well, yet we wish to make special mention of Wayne Robertson as Old Farmer Hardacre, who was not able to keep up with all the new fangled teaching and preaching, but was free to confess that it was vastly different from what it was when he was young. And when his daughter who ran off with a villain, returned, and some of his guests spoke sur-

prisingly of her, he promptly ordered them out of his house.

Of the female characters, we wish to make special mention of Pearl Straley in the character of the Old Maid Village Gossip; there was a wedding of course, and the women guests played a mean trick on the old maid. They told her all the ladies were to kiss the groom, and she of course, did her duty and gave him a sounding smack, when the rest of them backed out sleek and clean and made sport of her for doing so. It made no difference to her, she got her kiss anyhow, and she would have accepted any of the single men there if she could have got them.

When the rope broke and the curtain got stuck so it would neither go up nor down between two of the scenes, Clarence McKern and Alberta Koontz kept the play going all right and prevented an otherwise awkward dilemma.

We understand there are to be three more plays before the school is out. If they are all carried through as well as this one, the school will have no cause to be ashamed.

Methodist Church Notes

Christmas!

The happiest time of the year. The time of all times when all the children and kin-folks gather under the parental roof around the fireside to bestow the gifts of love and affection upon those we love. And the best part of it is that none are missed and all

are always remembered. Sometimes it may be just a very small token of remembrance but it is held in just as high esteem as the valuable gift.

Our hearts are made glad at this time.

There was a tumult of joy among the angels over the wonderful birth because they knew the "sweetest carol ever sung" was the name Jesus, given to the baby in the manger; "Thou shalt call his name Jesus, for it is he that shall save his people from their sins."

"And in none other is there salvation; for neither is there any other name given among men, wherein we must be saved."

Xmas eve, Friday night, 7:30 at the church. Everybody invited to the Xmas entertainment. We are not taking presents to the tree but there will be something there for all the children and young folks and we trust there will be enough for all. Come in a happy spirit and prepared to have a good time and to see that all the rest have the same. Come! Come!

The movie that was advertised last week for tonight, for some reason has been changed and instead of "The Right of Way," it will be "Alias Jimmy Valentine." The play for Thursday night, Dec 30th, will be "Nazimova" in "The Heart of a Child." We have no data on hand concerning either play, but if they are as good as "Burning Daylight" they will certainly be all right.

RIALTO THEATRE

HALSEY, OREGON.
Coming, Thursday night, Dec 23.

Bert Lytell

"ALIAS JIMMY VALENTINE"

Thursday, December 30th.

NAZIMOVA

"THE HEART OF A CHILD."

The Youth's Companion Home Calendar for 1921.

The Publishers of The Youth's Companion will as always at this season, present to every subscriber whose subscription (\$2.50) is paid for 1921 a calendar for the new year. The tablets are printed in red and olive green, and besides giving the days of the current month in bold legible type, give the calendar of the preceding and succeeding month in smaller type in the margin. It is a rich and practical piece of work.

Perry Mason Co., Boston, Mass.

"See what we found in your crankcase oil"

THIS lens shows some of the dirt that can be found in any crankcase after a few weeks of driving—road dust, carbon and fine particles of metal. Such dirt circulates with the lubricating oil through the engine, together with gasoline that escapes past the pistons and dilutes the oil.

Have the dirty, diluted oil in your crankcase drained out—now—before unnecessary wear begins. We can do that best for you with Modern

Crankcase Cleaning Service—convenient, quick, economical. We use Calol Flushing Oil, the scientific, thorough flushing agent which does not contaminate the fresh oil. We assure proper lubrication for your engine by refilling the cleaned crankcase with Zerolene of the correct grade.

Make a regular habit of Modern Crankcase Cleaning Service. It gives better engine performance and longer life to your car.
