

CONFECTIONERY FOR THE AFFECTION-ARY

If the way to a man's heart is through his stomach, as the old saying goes, then surely the right road to a woman's good graces is through a box of chocolates and bon-bons. Of course only the daintiest morsels will accomplish that end—and "best" means Clark's. Send a box to day to your bestest.

That you are getting full value for your money when you use this class of tobacco.

The good, rich, real tobacco taste lasts so long, you don't need a fresh chew nearly as often—nor do you need so big a chew as you did with the ordinary kind.

Any man who has used the Real Tobacco Chew will tell you that.

BIG SUBSCRIPTION OFFER

You Get ALL FOUR of These MAGAZINES and OUR NEWSPAPER For One Year Each FOR \$2.25 Order Now

THIS EXCEPTIONAL OFFER IS GOOD FOR A SHORT TIME ONLY. Subscriptions may be new or renewal. All renewal subscriptions will be extended for one year from present date of expiration.

The first of December we sent out statements to the amount of over \$150, that was due on subscriptions and up to the present we have received less than \$40 in response to our call. Now it may seem like a very small matter to you if you let your subscription run behind and you may think that that small amount won't matter much any way. But when ten people owe us for a year subscription it means \$15 to us. And if every one that we sent out statements to had responded we could have had a real two-winged, two-legged turkey for our Christmas dinner. As it was we had to put up with a small piece of goat. Had these people all responded we could have paid Mr Gray for two cords of wood, but we had to ask him to wait. Had all these people responded to our call we could have paid the rest we owe on our plant. As it is Mr Talmage will have to wait until he gets it.

And if some of you who got statements of your indebtedness fail to get your paper after the first of the year, you don't need to accuse the editor of forgetting you. We don't like to cut any body off our list and won't do it as long as they show a willingness to pay when they can. But if you owe the paper anything and want it to continue coming to you, at least come in and make arrangements about its coming. You will find us willing to do the square thing by you if you will meet us half way. Our subscription price is supposed to be paid in advance, and it ought to be paid that way. We won't cut a man off if he doesn't come in and pay up right on the dot, but we don't expect to carry a man year after year, for we have to pay just as much for the paper for the man in arrears as we do for the man who pays promptly. We are trying to make a good local paper for you, and are working night and day to do so, but we would at least like to have all the co-operation from you that is possible. And remember we have to meet our bills the same as any one else and we are trying to keep our credit up. Thanking you in advance for the assistance you will surely give us, we wish you all A Happy New Year.

Our Sermonette

Thou crownest the year with thy goodness. Ps 65: 11.

As we review the leadings of Divine providence during the year that is past, let God's goodness and mercy stimulate our faith and confidence in him as respects the new incoming year. A proper retrospect on the part of a proper child of God will enable him not only to render thanks for the past, but to look up and lift up his head, realizing that that our deliverance is nearer than when we first believed; and that he that began a good work in us is both able and willing to complete it, if we will but continue to submit our wills, our lives, our all, to his wisdom and loving care.

SUNDAY SCHOOL

The Child and the Kingdom.

Whosoever therefore shall humble himself as this little child, the same is the greatest in the kingdom of heaven. Matt 18: 4.

The child in the midst of the lesson of the ages for the church. Him the Christ selected as a pattern of humility. What children are unconsciously, that Jesus requires his disciples to be voluntarily and deliberately. There is a curse pronounced in the lesson upon any one who should "cause one of these little ones that believe, on me to stumble."

The saving of 27,000,000 of young people and children in America who are not yet in the Sunday school and church is the great problem of the world today, if our great civilization is not to go down. This New Year Sunday brings us a lesson that can really help change all the wrong, unhappy conditions in the world. The crowning of Christ and his teachings in the heart of every one, will turn this world right side up. How shall we enter the door of opportunity each morning of the year 1921 as we go forth to our work. Let's tell the world about Jesus.
