Catarrh Cannot Be Cured
with LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Catarrh is a local disease, greatly influenced by constitutional conditions, and in order to cure it you must take an internal remedy. Hall's Catarrh Cure is taken internally and acts thru the blood on the mucous surfaces of the system. Hall's Catarrh Cure was prescribed by one of the best physicians in this country for years. It is composed of some of the best tonics known, combined with some of the best blood purifiers. The perfect combination of the ingredients in Hall's Catarrh Cure is what produces such wonderful results in catarrhal conditions. Send for testimonials, free. P. J. CHENEY & CO., Props., Toledo, O. Off Summer Pastures
As your animals come in off the pastures they'll miss the tonics and nutrients which nature supplied to keep them in condition. It's a big change. You must supply what is lacking in the dry feed—hay, grain and fodder—or they will get "off feed" and out of fix.

Dr. Hess Stock Tonic
Supplies the Tonics—Luxatives—Diuretics

- It keeps animals free from worms.
- It keeps their bowels open and regular.
- It keeps the appetite and digestion good.
- It conditions cows for calving.
- It helps to keep up the milk flow.
- It keeps feeding cattle right up on their appetite.
- It keeps hogs healthy, thrifty, free from worms.
- It means health and thrift for all animals.
