If the way to a man's heart is through his stomach, as the old saying goes, then surely the right road to a woman's good graces is through a box of chocolates and bon-bons. Of course only the daintiest morsels will accomplish that end—and "best" means Clark's. Send a box today to your bestest.

**Farmers--Get Together Now!**

Get together, work together and join together in a state and national way. There is only one way to get into the State and National Federation of Farm Bureaus, and that way is through the County Farm Bureau. Every unit must be organized.

Have you ever had an opportunity to belong to a farmer organization that had a local county body to work through and a state body and a national body? If so, was that body strong in numbers and strong in finance, so that it was really capable of getting results? Be serious with yourself now. Is there today such an organization for farmers that is so organized and growing so fast, as the Farm Bureau?

**Its Winning Farmers Literally By Thousands.**

Will you be one to join or will you stay out and continue to say that farmers will not organize? While you are knocking, they are organizing as they never have before. 120,000 in Iowa now; 102,000 in Illinois, who pay \$10 and \$15 per year; 90,000 in Michigan.

**LINN COUNTY IS A BIG COUNTY  
AT LEAST 1500 COUNTY FARMERS SHOULD JOIN  
DO FARMERS WANT THIS ORGANIZATION?  
ABSOLUTELY!**

There are now approximately 1,500,000 farm families represented in the membership of the American Farm Bureau Federation. Thirty-five State Farm Bureau Federations have grown strong enough in members and money to take part in the A. F. B. F. Nearly 1500 County Farm Bureaus are now actively carrying on their work. The Farm Bureau is far beyond the experimental stage, in county, state, and national work. You do not need to wait for results. They are already being accomplished. Isn't it a sensible, business-like thing for you to join this big, national farm organization?

**THE LINN COUNTY FARM BUREAU  
AND THE  
OREGON STATE FARM BUREAU**

HAVE AGREED unanimously that the Greater Farm Bureau in county, state, and nation is worth \$10.00 per year for each family, or it isn't worth anything. And, furthermore, no one is taken for a member for just one Year. If it is worth anything it is worth supporting for a period of years.
