High School Boys Win: Girls Lose In Double Header.
Great team work along with accurate shooting was the cause of a 21 to 9 score the local boys scored over the Scio boys in last Saturday night's game.
The girls played a wonderful game but were taken off their feet in the first half by the rough and tumble style of attack displayed by the Scio girls. The local girls were outclassed when it came to the "give and take" and "jump part of the game. Although the girls lost 24 to 22, it was considered by local fans as a victory for Halsey, Saturday night's game being their first of the season and played against girls used to playing boys' rules, and girls farther advanced in the season, this being their fifth game.

With the experience gained in this game they feel no doubt concerning the result of Friday night's game with Monroe.
In the boys' game immediately following, the locals took the lead from the first whistle. The game was worth seeing, giving plenty of thrills and lots of excitement. It takes so much fight to win in any game, but Saturday night's game proved an exception when L Taylor displayed fight enough for the whole team which caused his removal on personal fouls.
Clark and McKern were the outstanding stars, followed closely by the wonderful teamwork displayed by L Taylor, Corcoran, and B Taylor.
Scio showed a wonderful fight, and though they were beaten, they were always in the game.
The line up was:
Girls
Halsey
Cook
C Gulliford
Sherling
H Gulliford
Heinrich
