School Notes

Last Saturday night there were 25 young people from here

over to Lebanon to take part in and witness the basket ball game between the Halsey Hi girls and boys and the Lebanon Hi girls and boys. The scores were girls 13 to 9 in favor of Halsey, and the boys score was 22 to 19 in favor of Lebanon.

Did you see the game between Crabtree and Halsey? The boys played a dandy good game and won with a score of 28 to 16.

After the Crabtree game our refreshment committee had prepared a very nice lunch which was served after the showers were used. Games were played and a very good time was reported.

Last Friday we were very pleased to be addressed by Mr Skirvin. In his patriotic address he told of the life of Lincoln, whose birthday anniversary was that day. We enjoyed this and would like many more such visits.

Are you coming? Where? Next Friday evening at the hall, the Senior class is going to give a play that will offer every one a jolly time and an opportunity to see and hear the "Prince of Li-a's." Just think of it. You will see the stately English ladies, the typical American girl, and the shocking adventuress. Come and see a man fall into a lot of trouble, especially with an austere and hawk-eyed mother-in-law. It will pay you to come. Friday night, Feb 18, at the hall at 8 o'clock. Come.

Christian Church Notes

Next Sunday will begin the S S contest at the Christian church and at that time the two sides will be chosen and captains elected. All who are now members of the school are expected to be there and to bring at least one other person. A number of new classes will be installed and teachers have been secured for every age and grade.

In the afternoon at 3 o'clock a junior C E society will be organized under the leadership of Miss Helen Moore, who is an experienced C E worker. All the boys and girls of Halsey are invited to take part in this, their own organization. Officers will be elected and plans for future work will be discussed.

Last Sunday evening the young people returned from the state C E convention and each one spoke of the benefit he received and the enthusiasm exhibited in their talks proved that the trip was really worth while. These Christian young folks have very interesting and helpful meetings every Sunday evening and every one in this community, especially the young people, are invited to meet with them.

A prayer meeting will be held Friday afternoon at 2 o'clock in the church under the auspices of the C W B M. Both men and women are invited to attend, especially members of the church. A church which regularly observes its prayer meetings is always awake to the work before it and is able to accomplish its aims.

The pastor, Raymond C Smith, will speak Sunday morning on "How to read the Bible as the Word of God." The evening sermon will be on "Faith," the first of a series of Sunday evening sermons on the Divine plan of salvation. Others in the series are as follows:

Feb 27, Repentance, or Being born again. Mar 6, Confession, To whom, when, and how. Mar 13, Baptism, or Burying the Old man. These sermons are all safe sane, and Scriptural.

The folks who sing will meet

Saturday evening at 7 o'clock for a short practice before the game.

Methodist Church Notes

SUNDAY SCHOOL

Christian Watchfulness.

Therefore be ye also ready; for in an hour that ye think not the Son of man cometh. Matt 24: 44

In Bible times some of the people were thoughtful enough to think in advance of the things they would need and get them or learn them. To enter Christ's kingdom we must be ready and watchful.

Nine of the Booster girls' class met at the home of their teacher, Mrs Mornhinweg, last Monday night in a real, bushels of fun, valentine party, in which hearts were shot for girl partners at a fine lunch. The new president Cecil Mayberry, presided in a gracious manner. The rooms were decorated in keeping with the occasion.

Some thoughtful Epworth League members and friends remembered one of their number, Everett Standish, last week with a big box of choice home made candy.

We are very sorry to report the severe sickness of our young friend, Ruth Startevant. But the latest reports are that she has taken a decided turn for the better.

The membership committee of the W F M S reports eight new members at their meeting last week and a total of thirty six. This is equal to any enrollment of former years.

The official board met Monday evening at the parsonage. Plans were made for something important, the coming revival meeting. First the preparatory work which will depend largely on the success of the cottage prayer meetings to begin next week (two a week) for the next three weeks and followed by the coming on March 10th of the evangelist and singer, Bro Geo Bernard. According to reports we are very fortunate in securing this man. Will tell you more about him next week.

Special Blanks for Farmers' Tax.

Internal Revenue Bureau Makes It Easier to Fill Out Forms.

Many Expenses Deductible.

Value of Merchandise Exchanged for Produce Must Be Included in Tax Returns.

Thousands of farmers whose net income for 1920 equalled or exceeded the exemptions of \$1,000 for single persons and \$2,000 for married persons will be required to file on or before March 15, 1921, income tax returns for the year 1920.

As an aid to farmers the Bureau of Internal Revenue has prepared a special form, 1040F, for recording sales of live stock, produce, and a summary of income and expenses. This form should be attached to the taxpayer's individual return on Form 1040 or 1040A. Full instructions for making out the forms are contained in each.

Under gross income a farmer is required to include all proceeds derived from the sale of farm products whether produced on a farm or purchased for resale. When he exchanges his produce for groceries, clothing or other merchandise he must include in his income the value of the articles received and exchanged. Profit received from the sale of farm land or rent received for the use thereof must also be included.

NET INCOME

In determining his net income, upon which the tax is assessed,

the farmer may deduct all necessary expenses incurred in the operation of his farm during the year. These include cost of cultivation, harvesting and marketing of his crops, the cost of seed fertilizer used, amount spent in repair to farm buildings other than the dwelling, and to fences and machinery. The cost of farm tools used up in the course of the year, wages paid to employees other than domestic servants, and rent paid for farm land and buildings (other than dwelling) are deduct-

ible items.

Farmers who keep no records or only records of cash receipts and disbursements should make their returns on the basis of actual receipts, but farmers who keep complete accounts and who take inventories at the beginning and end of each year to determine their profits should report on the accrual basis. Both methods are fully explained on Form 1040F, copies of which may be obtained from the offices of collectors of internal revenue.
