Mrs Pehrsson from the Pine Grove neighborhood, was in town Monday getting subscriptions to buy a new organ for the church at that place. The people of Halsey seemed to be subscribing quite liberally.

We had the pleasure of looking over the "College Echo" a paper gotten out by the college at Harper, Kansas with Minor Boyd from this place, as editor-in-chief. The paper is well gotten up and reflects great credit upon the editor and his corps of assistants. There are some sound editorials and many jokes. Among the news items we noticed that Minor Boyd had been elected as captain of their base ball team.

Tuesday evening Racheal Rebekah lodge entertained 70 members from Halsey and Crawfordville lodges. The Halsey degree staff conferred degrees on a class of several candidates in a very impressive manner. An interesting program was rendered and appreciated by those present. Special effort had been put forth in decorating of the hall, Oregon grape predominating in the lodge room and in the dining room daffodils transformed both. About 100 enjoyed a feast that was a veritable banquet.—Brownsville Times.

### Purebred Stock Breeders Held Their Convention Last Saturday.

Last Saturday fifty members of the Linn County Pure-bred Stock Association and breeders of adjacent counties, with representatives from Northwest stock and agricultural papers held their annual meeting and banquet in Albany last Saturday with our townsman, F H Porter, presiding over the meeting.

A campaign of publicity and al-

so for the acquiring of new members was decided upon.

Mr Addis of the "Oregon Farmer," said that in his opinion Linn county had more purebred stock breeders than any other county in the state.

W A Sellwood and J M Hawkins made speeches in behalf of the starving millions in China and solicited the support of the members in that direction.

At the election of officers, F H Porter was re-elected president, Ed Schoel of Wells, Benton county, vice president, and County Agent A C Heyman was named secretary. Each breed represented will furnish one director.

### The Christian S S Bulletin.

The Bulletin is the name of a small sheet that is gotten out by R C Smith, pastor of the Christian church, assisted by the supt and all teachers of their S S, and the supt of the Junior Endeavor society.

It is the purpose of the Bulletin to keep the members of the church and S S informed in regard to the progress of the work they are doing as well as to announce special features and anything else they may hope to do.

We notice from their announcement that on next Saturday evening there is to be a double stereopticon number, viz: "Palestine and Syria," and "Women of the Bible."

This move we are glad to commend. We hope the churches will both find us as willing to give commendation where commendation is due, as to give criticism

where we think criticism is due. And whether we commend or criticize we do it with love and what we aim to be for the advantage of the cause of Christ.

Another thing we were pleased to note was that for the past two Sunday evenings the Christian church adjourned their meetings and went to the Methodist church and took part in the revival meetings that are in progress there. This shows the right spirit and no church will lose anything by doing by the other church as it would like to be done by. Let the good work go on.
