Methodist Church Notes

SUNDAY SCHOOL

Bible Teachings About Health. Every man that striveth for the mastery is temperate in all things. - 1 Cor 9: 25.

This lesson gives the fundamental teachings of the Bible regarding health. Our sacred obligation to God as our Creator and Redeemer requires that we exercise intelligent care for our health as a religious duty. "Be not deceived; God is not mocked; for whatsoever a man soweth, that shall he also reap. For he that soweth to his flesh shall of it reap corruption; but he that soweth to the spirit shall of the spirit reap life everlasting. Gal 6: 7, 8.

"Wild oats take something out of a man's life that no system of crop rotation can restore." - Youth's Companion.

At the last Sunday morning service the following names were gladly welcomed into the church membership: Mrs Arthur Wesley by letter from the M E church at Melbourne, Iowa; Mrs J W Morgan and her daughter Janet from the Piedmont Presbyterian church of Portland; Mrs W P Wahl by letter from the United Presbyterian church of Shedd, and her daughter Wilma by confession of faith. In the evening Everett Robinson was received by confession.

The Junior League was organized Sunday p m with a good membership and the following officers were elected: Willamina Corcoran, president; Earl Frum, vice president; Keith Hayes, secretary; Elsie Reynolds, treasurer; Georgina Clark, organist.

Monday night the official Board met at the parsonage for the transaction of the regular business.

There will be a reception at the church this Friday evening for all the new members taken into the church to which all the members and friends of the church are urged to attend and make welcome the new members coming into our midst. There will be something there for all.

Mrs. Ribelin, while not in a serious condition, is suffering a lot of pain.

An 8 per cent Investment In Properties you can watch

AN INVESTMENT in the Gold Notes of Mountain States Power Company is made for two principal reasons [1] safety, and [2] regularity of cash returns paid by cashing a coupon twice a year.

MONEY SO INVESTED goes directly into the properties in the form of extensions, additions and other improvements. It enables providing service for additional homes and industries and it also enables the Company to do a larger business.

THE INVESTOR has the satisfaction of actually seeing his money put to work in a way that helps build up his town, and contributes to the welfare and prosperity of every person in it. The cash return he receives from his investment also stays in the community instead of going outside.

A Safe 8 per cent Investment.
