Wednesday night five of the Boy Scouts took a hike out to the Edwards place and cooked their supper consisting of bacon, eggs, beef steak, potatoes, weenies, cake, etc. Some of the boys declare that rank should take more cooking lessons as he hasn't graduated yet. Those present were Wayne Robertson, Wilbur Norton, Thomas Miller, Frank Koontz and Elliot McWilliams, and after the boys had cooked their supper, Dr Garnjobat, the Scout Master, and Erzell Sneed came along in an automobile. Wayne and Elliot took the fire test and passed on it. They report a pleasant time.

A Mr Beckman from Mt Angel has purchased the old Hover farm near Pine Tree cemetery. He and his wife and three children passed through Halsey last week enroute to take possession of his place.

Last Tuesday night Messrs C H Phillips, Hugh McCallum, Lester Jones and Lew Petelle, assisted by Miss Ruth Boyd as pianist, all from Eugene, gave an entertainment at the city hall consisting of quartettes, solos instrumental music and readings. There was a fine attendance and all enjoyed themselves very much. Of course everybody knew that Mr Phillips, who was formerly pastor of the Christian church here, is an extra good 1st tenor singer, and they knew that they would have a treat so far as he was concerned. Some of them had also heard Mr Petelle and they knew that he was strong on the bass: He can get down quite low too. Mr Jones as baritone and Mr McCallum as 2nd tenor were fine also. Their voices blended finely and they certainly gave us some nice quartettes. We hope they will come again.

In the musical briefs of the Sunday Oregonian we noticed the name of Miss Gertrude Porter among the vocal pupils to be presented at the Multnomah hotel by Rose Coursen Reed in May. The base ball game that was scheduled to take place at Halsey last Saturday afternoon between the Halsey High School and the Harrisburg High School, failed to materialize. We suppose it was on account of the unfavorable weather.

L W Twitchell of Albany was in Halsey Monday. He will be the shopman for the new Meat Market in Brownsville that Mayberry, McKinney and Twitchell expect to open up the first of the month. They purchased a building on Spaulding Avenue.

We understand that practically all the right-of-way between Harrisburg and Alford has been established and the fences built. There is only one place where it has not been established and that is at Fred Burkhart's warehouse, where the right-of-way will go through the warehouse, and a committee from the Harrisburg Chamber of Commerce interviewed Mr Burkhart Tuesday in regard to the matter.

In "The Return of Tarzan," to be shown here next Thursday the latest development of the Tarzan epic is presented in a plot that simply tingles with thrills. It is easily the most exciting picture you will ever have the pleasure of seeing—hand-to-hand fights between Tarzan and two full-grown, blood-thirsty lions, a spectacular shipwreck, stirring scenes in the underworld of Paris, of wild animals in their native haunts, adventure and a love story that threads the plot like a vein of gold. If you want to be lifted out of yourself and thrilled to the core, make sure that you see "The Return of Tarzan."

The Womans Study Club met last Thursday afternoon at the home of Mrs Sidney J Smith with a goodly number in attendance. The lesson on Wild Flowers of Oregon was presented in a very interesting manner by Mrs J W Moore, who read an able paper illustrated by colored prints. Further interest was added to the lesson by Mrs Templeton who displayed a hibernian of beautiful specimens of the wild flowers of this locality. After the lesson several beautiful records were heard. The hostess was assisted in serving delicious refreshments by Mrs Stafford. The next meeting of the club will be held at the home of Mrs G T Kitchen, when the subject will be "Industries of Oregon."

Bert Minckley from Lake Creek, transacted business in Halsey Tuesday.

Exchange your wheat for flour or feed at Thompson's Flouring Mills, Shedd, Oregon. 4-28tf

## Methodist Church Notes

### SUNDAY SCHOOL

Making Education Christian. Wisdom is the principal thing, therefore get wisdom. Prov 4: 7. Education has been defined as "drawing out of the powers of life that is being trained."

Christianity strives to draw out of human lives all the good possibilities in them. Much care should be used by parents and students in the selection of schools. A child who quits school at fourteen or sixteen years of age is handicapped for life. As a wage earner he gets a mere pittance. He is shut out from most of the higher enjoyments of life. From his neck down a man is worth only a few dollars a day, from his neck up he may command a hundred dollars a day. Education of the head alone makes a good man better but a bad man worse. The devil is looking for educated brains; such men can bring a great deal of trouble into the world. Without an education the Christian is only a fraction of what he might have been in a great field of usefulness, in the kingdom of God.

The district Epworth League convention held at Cottage Grove closed Sunday. Our delegates report a very successful convention. One hundred delegates were expected and one hundred and fifty came. Those going from here were Bro Cook and daughter Geraldine, Pearl Pehrson, Merle Straley, Anna Heinrich, Isabelle Gulliford, Grace Robinson and Grace Kirk. They will give their reports next Sunday evening. Come out and hear them and you will hear something good.

The Epworth League served a chicken dinner at the McCully building Wednesday noon. One hundred generous people partook of the nice dinner the industrious hands of good workers prepared. The money goes to help in the great Centenary work that carries the gospel of Christ to the needy home and foreign fields.
