

The Halsey Enterprise

An Independent Newspaper

PUBLISHED EVERY THURSDAY

D. F. DEAN, EDITOR

Entered as second-class matter October 3, 1912, at the postoffice at Halsey, Oregon, under the Act of March 3, 1879.

Devoted to the material upbuilding of Halsey and surrounding country and Linn County generally. Subscription rate \$1.50 per year in advance.

May Lose Highway

It appears from the information we can gather on the subject, that Halsey is in danger of being left off the proposed Pacific Highway. Fifty years ago when the railroad then building through the Willamette valley reached a point seventeen or eighteen miles south of Albany, a town was established and named Halsey, in honor of the president of the railroad. The town then started to grow, but it was not a rapid growth until it has developed into one of the best shipping points and small towns in the valley. This has all been done without paved highways. No doubt the town shall continue to grow and prosper as in the past, even though it be left off the highway; there perhaps will be about if not fully as much business transacted as there would be with the highway; nevertheless, we feel that we are entitled to be on the highway and that without excessive cost. Was the survey that went through Halsey designated the highway, or was the first survey that went west of Halsey designated the highway? If the highway was established through Halsey under the old law, by which the state and county would bear the expenses, could it be disestablished simply through a little controversy between the residents of Halsey and thus be thrown under the new law? Certain residents asked for a change of route to be sure, but to our knowledge no such change was ever granted. Hence the query, was Halsey ever on the designated highway, or was it established west of town when the first survey was made?

Amongst approximately 200 banks operating in Oregon which have been designated as state depositories by O. P. Hoff, state treasurer, appears the name of the Halsey State Bank. This speaks well for the financial condition of our local bank.

A very light vote was cast in the special election Tuesday, there seeming to be small interest taken in any of the measures. The bonus bill was passed by a vote of about two and one-half to one and the emergency clause veto passed by a good margin. Legislative regulation and the marriage bill were decisively defeated while the women juror bill is still in doubt.

One of the vital questions of the day that has yet to be answered by lawmakers is what can become of the mother and her young baby upon their discharge from the maternity hospital. To send Charlie Chaplin to the rescue is no answer, but it is the cause of the greatest amount of comedy that was ever crammed into a feature length picture. That is the beginning of the plot of "The Kid," First National's six reels of joy, which will be the attraction at the Rialto Theatre, Friday night.

The W. F. M. S. held its annual thank offering last Friday afternoon at the church. The meeting was well attended and much interest in the work was shown. The Standard Bearers, Kings Heralds and Little Light Bearers were present. Mrs. Ada Cummings of Albany was a guest of the Society and gave a very interesting missionary talk. The Standard Bearers added enthusiasm to the afternoon by songs and yells. The offering of the ladies amounted to about eighteen dollars. Delicious home-made ice cream and cake were served.

Miss Margaret Dawson who has been teaching school this winter in Medford is home for the summer. This fall she will leave for the Hawaiian Islands where she has a position teaching school.—Visitor.

H. G. Pugh who has been in the Corvallis hospital for about two weeks is home again. He is not able to be up and about yet, but they have his foot in a cast and it is doing as well as could be expected after the rough treatment it received.—Visitor.

The Linn County Jersey Cattle Club wishes to extend an invitation to anyone interested in Jersey cattle, or the cattle business to attend their picnic at the C. H. and J. C. Brown place on June 11th. A good program has been arranged with speakers who know the ins and outs of the cattle business. Everybody is invited to bring their basket dinner. There will be a cattle judging contest among the boys and girls clubs.

Methodist Church Notes

Sunday School, "Making the World Christian." The earth shall be full of the knowledge of Jehovah, as the waters cover the sea. Isa. 11:9. Through the Gospel the world will become Christian. This lesson gives us Bible teachings as to how to make the world Christian. The prophecy of Isaiah foretells the coming of the Messiah and of his reign. He is to be a righteous ruler and great peace is to fill the earth. Second, by a prophecy of the resurrected Christ regarding the process by which the race is to be brought to accept salvation, the power of the Holy Spirit is to come upon the disciples and they are to witness to all peoples of the saving power of the Lord.

At the last Sunday morning service Jasper Newton was baptized and received into full membership of the church.

The Epworth League will hold their regular monthly meeting this Tuesday evening at the home of Grace Robinson.

Our annual Sunday School picnic will be held next Tuesday, June 14th, at Hertz's grove 2 miles west of town. Everybody is most cordially invited to bring your lunch basket and join with us in one big family dinner. This means You and You. Come to the church at 10 a. m. sharp with your auto and help provide transportation for the children and those who do not have a way to go. There will be a baseball game and sports for all. Come and help make this a big day in the woods.

Remember a fly killed now will do away with thousands of them in July and August. Call on the Raleigh man and get a can or more of insect powder; it is guaranteed. H. S. Vinkleman, the Raleigh man. 4-14
