Methodist Church Notes

Sunday School. "Making the Social Order Christian." "Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me." Matt 25:40. Proper attention for the sick and poor in our community comes into this lesson. All such work is Christian service. Would it all be done if love for Christ was not the motive? The prophet Micah summoned up our whole social duty thus, "What doth the Lord require of thee but to do justly, to love mercy, and to walk humbly with thy God?" Christ Jesus accepted and carried out his mission, then passed on the same to us saying, "As thy Father has sent me, even so have I sent them into the world."

The Intermediate League installed their new officers at the last Sunday evening devotional meeting. There was a good attendance present.

All members of the S. S. are requested to be prepared to repeat the books of the New Testament in concert next Sunday.

The S. S. picnic Tuesday at Hetzel's grove was well attended considering the threatened rain in the morning which turned out to be light showers and a favorable afternoon. A bountiful basket dinner to which the crowd did justice was spread near a bonfire at noon. Enough good things were left to have fed many more. After some games everybody had ice cream. Then came the races, all kinds of races by the girls, boys and older ones. Some received blue ribbons and some came out behind. The preacher found out that some women can play horseshoes better than some men. Everybody was happy and went home in the evening feeling that they had a fine time and would be in for another picnic like it next year.
