Mill Run, half or ton lots, \$37 per ton.

Will chop Every Day.

O. W. FRUM

"You may be Sure"
says the Good Judge

That you are getting full value for your money when you use this class of tobacco.

The good, rich, real tobacco taste lasts so long, you don't need a fresh chew nearly as often—nor do you need so big a chew as you did with the ordinary kind.

Any man who has used the Real Tobacco Chew will tell you that.

Put up in two styles

W-B CUT is a long fine-cut tobacco
RIGHT CUT is a short-cut tobacco

Your Summer Outing

Is a matter of importance to You. Where you will spend it is a matter of interest to Us.

**Round Trip
Summer Excursion Fares**

are now in effect to the following delightful places for Rest, Recreation and Amusement.

Newport. On the Pacific Ocean and Yaquina Bay is this charming old place where thousands return year after year to spend their vacations.

Crater Lake. A world wonder in the Cascade Range. More than a mile above the sea is this beautiful azure blue lake, set in the crater of a huge mountain.

Tillamook County Beaches. Beyond the Coast Range mountains are these new and unspoiled places where the ocean and the forest meet.

Other Resorts. Detroit (Breitenbush Hot Springs, Mt. Jefferson Country,) McCredie Hot Springs, Josephine County Caves, Shasta Mountain Resorts, Yosemite National Park.

"Oregon Outdoors" is the title of our summer booklet which describes the different resorts in western Oregon and includes hotel and camp information. Copy free on request.

For further information inquire of ticket agents.

Southern Pacific Lines,

General Passenger Agent

**OUR INVEST-
ORS KNOW**

That they have invested their capital with this Company primarily because they wanted **Safety** combined with a good income return regularly paid.

That the Market for Electricity and gas is as certain as the continued existence of the 42 cities and towns served --a market that increases even faster than the growth of population and industry.

That Their Capital is invested in useful property serving demands based on the daily necessities of many thousands of people.

That when many of our citizens have placed their money in a large and growing business, that organization enjoys the confidence and good will of the public.

That every additional 8 per cent Gold Note holder makes the Company a better public servant in performing its important obligations to the community.
