High School Notes

(Mearle Straley, Reporter)

School opened Monday. Everyone seemed glad to be back and we shall enjoy this school year. We miss the pupils that are gone, but there are a few who will not return until the latter part of the week.

The freshman class is starting off with a boom—twenty-two green freshies.

The student body officers for this year are: President, Kenneth Cross; vice-president, Preston Newton; secretary, Grace Robinson; treasurer, LaVelle Palmer; reporter, Mearle Straley; yell leader, Anna Heinrich.

We are glad to have with us this year Ellen, Kenneth and Roberta Van Nice, who recently arrived from Lewiston, Idaho.

The sophomores have elected Agnes Chandler as class president and the juniors have Leone Palmer as their president. The other classes have not elected officers.

The high school students feel very fortunate in having Mrs. Freeland as assistant principal this year, and also in having Mr. English with us again. With such splendid teachers and the co-operation of the students why couldn't this year be a success? It will be!

Canning Exhibition Tomorrow

The Halsey Thrift Canning club, under the leadership of Mrs. Quimby, will give a public demonstration in the high school tomorrow afternoon.

Everybody is invited, especially the housewives.

The team consists of three members, Irene Quimby, Genevieve Wells and Beattie Dykstra.

They will can both fruit and vegetables and explain the cold-pack method of canning.

Samples of their canning will be on exhibit and spectators are invited to ask questions.

This is their first appearance as demonstrators and it is required as a part of the canning club work.

When they shall have done this their club work is done for this year, unless they compete with the other canning teams of Linn county at Shedd Saturday.

This they intend to do. Should they win the county championship, they will be entitled to go to the state fair at Salem next week to compete with teams that have won in other counties.

This demonstration work is considered very important by the government. Statistics show greater returns from money and effort expended in the club work than any other department of education.

In Memoriam

Whereas, in the death of William McMahan Purity Rebekah Lodge No. 130, I. O. O. F., has lost a faithful and devoted member, and while we mourn his death we realize we must bow to the will of our Heavenly Father.

Sister McMahan and family, we truly live in a world where solemn shadows are continually falling upon our path—shadows that teach us insecurity of all temporal blessings and warn us that here there is no abiding stay.

Resolved, That our deepest sympathy go to his wife and family and we commend them to the Heavenly Father who heals all wounds.

Resolved, That a page be set apart in the minutes of our order to the memory of our departed brother; that a copy be furnished his wife and a copy given to the Halsey Enterprise for publication.
