The four-act drama to be given at Rialto hall Thursday night of next week was played at Tangent Jan. 26 and pronounced a success. The Tangent W. C. T. U., who give the entertainment, have for an object the raising of funds for the children's home, near Corvallis, where it is planned to give waifs a chance in the world, under farm instead of city conditions and with homelike instead of stiff institutional surroundings.

The ladies of Peoria will give a chicken pie supper at the hall next Saturday night to raise money to pay for the new organ in the church. The chicken pie will be accompanied by jelly, pickles, potatoes, salad, beans and coffee, followed by many fine cakes and fruit salad. After supper an entertaining program of musical numbers and readings will be rendered. "The Neverslips at Home," a short play, will be part of the entertainment. There will be no charge for admission and the supper will be served cafeteria style. All are invited to come and enjoy themselves.

The missionary society of the Christian church will meet Tuesday at 2 p. m. at the home of Mrs. Karl Eramwell, with Mrs. White as leader.

DOLLAR DRIVE for new Enterprise subscribers and our schools. Ends Feb. 28. Ask the pupils. See circulars and next week's advertisement.

High School Notes
(Mearle Straley Reporter)
Miss Pearl Pehrson spent the week end in Salem visiting her sister Nora, who is attending Willamette university.

Wayne Robertson and Louise Robnett were the only delegates to the conference for high school students in Eugene. They report a good time.

The high school wishes to express appreciation to the alumni for the party given February 3 at the Rialto hall. It was a school day, and was well deserving of its name. We never realized that we had such a bunch of curly-headed girls in high school. A fine time was enjoyed by all present. About 11:30 coffee and ham sandwiches were served.

The juniors received their class rings Monday. They were all well satisfied.

The civics class, accompanied by their teacher, Mrs. Freeland, have planned a trip this Thursday to Salem. They expect to spend the morning watching the "wheels go round" at the legislature, and the afternoon visiting state institutions. It will be a fine thing for the civics class and we expect to derive much good from the trip.

The contest for subscriptions closed Wednesday. It netted about \$32 for the high school. We are now planning a similar contest for subscriptions for the Halsey Enterprise. Now is the time to help both your home town paper and the high school by subscribing.

Coming! Carnival! Big Time! On February 24 the high school will give a big carnival—the best thing ever put on in the history of Halsey. There will be an art gallery, which will really be something for Halsey to be proud of. It will rank with any of those seen in the large museums of the country. Your fortunes will be told by the best gypsy fortune tellers obtainable. You will be given the opportunity of your lifetime to see sideshows of all descriptions, and curios to gratify all imaginations, right in your own home town. Besides these things there will be programs of various descriptions, high class "operas," short dramas, monologues, etc. You can't afford to miss it. Remember the date, Saturday evening, February 24.

Increasing Demand
OUR illustrated circular describes the Mountain States Power company and the 44 communities served in four states. It shows the growth of the company's business, which growth continued in a very satisfactory manner in 1922.
A large amount of additional business is now awaiting the construction of additions and extensions. The demands for service increase steadily in a much faster ratio than the increase in population.
These services are vital to public welfare. The market for them is as stable and enduring as our cities, towns and agricultural communities.
An investment in our 7-per-cent gold notes is the kind of investment you don't have to worry about.
A safe 7% investment in an ever-growing business.

Dove of Peace Hovers
The following resolution has been unanimously adopted by the Methodist congregation:
We, the undersigned, being members of the Halsey Methodist church, wish to submit to the church at this time the following resolution:
Be It Resolved: That we, the members of this church, here assembled, after due and careful consideration of a trouble in the blurch of several years ago, believe that the trouble that existed between Brothers J. W. Miller and Ralph Miller with Rev. Mr. Green, then pastor of this church, was not properly understood by some members of the church and that on this account justice was not given them nor the Christian sympathy given them that should have been extended to them. Therefore we, as a church, hereby ask of Brothers J. W. Miller and Ralph Miller that they will forgive any wrong that they have suffered by reason of such mistakes and that they and their esteemed companions be invited to the church and again become a part of us, and that in the future careful and prayerful consideration will be given them at all times. And, further, that this statement be made public.
