Virgin Wool Doubles the Wear

in Oregon City Boys' Suits, Overcoats and Mackinaws

HOW will they WEAR? How long will they look well? These are questions you ask when buying clothes for your boy. Oregon City boys' suits, coats and mackinaws answer them with built-in service.

The fabrics themselves are woven on the Oregon city looms—woven from pure virgin wool. This is new fleece from the sheep's back with all its natural life, its strength and great warmth. Distinguish between VIRGIN WOOL and ALL WOOL, because all wool often means wool cloth that has been worn and then reworked.

If you're anxious to make the budget for your boy's clothes balance this fall, try fitting him out with Jacobs Oregon City. See how virgin wool fabrics ACTUALLY DOUBLE THE WEAR. You'll find the Oregon City label and the virgin wool guarantee in garments sold at this store.
