### We are Thankful for the Bridge Probability

The Albany Democrat kindly permits the Enterprise to present the above pictures of the proposed Harrisburg and Albany bridges from cuts it procured from the Portland Telegram. The upper picture shows the Harrisburg plan, looking downstream, road to be 24 feet wide, with a 6-foot sidewalk, and cost \$203,500. In the center is the Albany plan, 27-foot roadway and two 6-foot sidewalks; cost, \$295,500. Below is the proposed bridge approach at Albany.

#### UNSPOKEN THANKSGIVING

A sunny face is an unspoken Thanksgiving.

#### TABLE LINEN IMPORTANT

THE real, original and genuine Thanksgiving dinner must boast a turkey and cranberry sauce if it is to be strictly orthodox in regard to the menu. Tradition demands this. Good linen plays a very important part in the way the table will look when set. It is always advisable to buy as good linen as you can possibly afford, for it proves a wise investment in the long run.

An embroidered monogram is a handsome finish to a good cloth, but it is less noticeable there than on the napkins which for dinner should be large and square. For embroidery the long slender letters are preferred. It is a pretty sentiment at a Thanksgiving dinner to use dishes which are heirlooms for one course.

#### WHAT WAS APILE OF DISCORD?

At the marriage of Peleus and Thetis, all the gods and goddesses, except Eris, or Discord, were present. Angry at not being invited, she threw among them a golden apple, bearing the inscription, "To the most beautiful." Juno, Minerva and Venus each claimed the prize, and Zeus referred them for a decision to Paris, a shepherd on Mount Ida. Venus, having promised Paris the most beautiful woman in the world for his wife, was awarded the apple. By so doing, Paris incurred the enmity of Juno and Minerva, who, by their spite, brought on the Trojan war.

The growth of timber in the world yearly equals only two-thirds of the amount consumed.
