WEAR-EVER ALUMINUM

Big stock of Wear-Ever kitchen utensils just received at
HILL & CO.'S
 Wear-Ever is stamped from hard metal—not spun nor cast. Spun articles are made from soft sheets. Cast metal is more porous than that which is produced under heavy pressure. Besides, to make it cast smoothly it is mixed with from 5 to 8 per cent of alloy, which encourages the disintegration of the metal by water containing impurities. Get the best. Wear-Ever is the best.

Ladies' Aid Pays the Rest

We've put a grand addition to the good old church at home. It's just the latest kilner, with a gallery and dome. It seats a thousand people, the finest in the town. And when 'twas dedicated we planked ten thousand down; that is, we paid five thousand. Every deacon did his best. And the Ladies' Aid society, it promised all the rest.
 We've got an organ in the church, the finest in the land. It's got a thousand pipes or more. Its melody is grand. And when we sit in cushioned pews and hear the master play it carries us to realms of bliss unnumbered miles away. It cost a cool five thousand, and it's stood the hardest test. We'll pay a thousand on it, and the Ladies' Aid the rest.
 They'll give a hundred socials, cantatas, too, and teas. They'll bake a thousand angel cakes and tons of cream they'll freeze. They'll beg and scrape and toil and sweat for seven years or more. And then they'll start all o'er again for a carpet on the floor.
 No; it isn't just like digging out the money from the vest. When the Ladies' aid gets busy and says: "We'll do the rest."
 Of course we're proud of our big church, from pulpit up to spire. It's the darling of our eyes and the crown of our desire. But when I see the sisters work to raise the cash that lacks I sometimes think the church is built on women's tired backs. And sometimes I can't help thinking when we reach the region blest. That men will get the toil and sweat and the Ladies' Aid the rest. M. E. AID.

School Notes

(Enterprise Correspondence)

The Walkers Surprised

A number of friends and neighbors of the G. R. Walker family last Friday night gave the Walkers a genuine surprise. Each family brought a well-filled basket. The evening was spent in plays, games on the lawn, telling jokes, guessing riddles and singing songs. Sandwiches, coffee and cocoa were served at midnight, after which, at the request of friends, R. B. Miller gave a short talk and presented to the Walker family a large aluminum roaster.
 Present were Elisha Jackson, Bryan Perry, Charles and Fred Falk, R. B. Miller, H. W. Steinkens and A. L. Falk and their families and Mrs. E. B. Gage and G. W. Shaw.
 All went home late and happy, wishing the Walkers all good things.
 Mr. Walker does not intend to move to the Yakima property for which he traded.
 Paul Ashton and family of Albany visited Mrs. S. C. Bass Sunday. Mrs. Ashton is Mrs. Bass' daughter.
 August Wardell, who has been visiting George Maxwell and wife, returned to his home at Silver Lake Monday.

Confectionery for the Affection-ary

If the way to a man's heart is through his stomach, as the old saying goes, then surely the right road to a woman's good graces is through a box of chocolates and bonbons. Of course only the daintiest morsels will accomplish that end, and "best" means Clarks'. Send a box today to your bestest. "Where there's a candy box, there the heart un-locks."
