What a Banker Who Knows Chandler Says

Chattanooga, Tenn., March 25, 1924.

To Whom it May Concern:

I take pleasure in stating that I have known Mr. R. A. Chandler, a former citizen of Chattanooga, Tenn., for many years, and know him to be a young man of good character and first-class ability. I have had many intimate business transactions with him, and found him absolutely reliable in every particular, and he handled all his financial transactions in a thoroughly satisfactory and honest manner. He was at one time manager of the Chattanooga Golf and Country Club while I was president of said organization, in which capacity he gave entire satisfaction, and no criticism was ever made of him or his morals. He was sober, upright and a thoroughly reliable gentleman always. Yours very truly,
C. M. PRESTON,
Active Vice-President Hamilton National Bank,
Chattanooga, Tenn.

Gas On Stomach May Cause Appendicitis

Constant gas causes inflammation which may involve the appendix. Simple giveerine, buckhorn bark, etc., as mixed in Adlerika helps any case gas on the stomach in TEN minutes. Most medicines act only on lower bowel, but Adlerika acts on BOTH upper and lower bowels and removes all gas and poison. Excellent for obstinate constipation and to guard against appendicitis.
