

News Notes From All Over Oregon

Gleaned by the Western Newspaper Union for Busy People

Fire losses in Oregon, exclusive of Portland, during July aggregated \$921,030.

Coyotes entered the yard of Walter Knauff at Boardman and killed 17 young turkeys.

General showers in Baker county caused considerable damage to farmers with hay and grain down.

A new 12-foot copper vein has been struck in the Poorman tunnel of the Mother Lode Copper company near Baker.

Reports received at the offices of the state forestry department in Salem indicate that most of the timber fires are now under control.

With the end of the commercial fishing season on the Columbia river less than a week away, it is reported that a big run of fish has entered the river.

Mrs. Lillian Hiff, 69, of Chemawa, died in a hospital in Oregon City as the result of injuries sustained in an automobile accident on the Pacific highway.

John Ostrim, 40, was drowned near Wallace Island, in the Columbia river, while on the way from Astoria to his home in Clatskanie. He was in a boat and fell overboard.

Bids for the construction of approximately 30 miles of highway and three bridges will be considered at a meeting of the state highway commission to be held in Portland Thursday.

Members of the state irrigation societies commission left Salem Tuesday by automobile for central Oregon where they will inspect a number of irrigation projects in that part of the state.

Mr. and Mrs. R. J. Collins and E. B. Schoenback, all of Portland, narrowly escaped death when they were pinned beneath their burning automobile following a collision with a truck near Canyonville.

The selection of a successor to P. L. Campbell, president of the University of Oregon, who died in Eugene, probably will not be announced for several weeks, according to members of the board of regents.

Six wardens have been added to the force of the state game commission, each to rove at will over the state with pack outfits and suppress violations of the game laws, it was announced by Game Warden Averill.

Alva R. Shumway of Milton, joint representative from Umatilla and Morrow counties, has verified the report that he will be a candidate for the republican nomination for United States senator in the primaries next spring.

Lumber shipments by water from the Columbia river during the month of July totaled 122,356,315 feet or nearly double those of July, 1924, according to figures compiled by the Columbia River Loggers' Information Bureau.

Additional trail crews numbering 21 men have been ordered by C. C. Hall, forest supervisor, to report to the Fish lake control station for work on trails to be completed this year and for which appropriations have already been made.

The Booth-Kelly Lumber company has announced that its two mills one at Springfield and the other at Wendling, would resume their six-day week, running Saturday after having been operating but five days a week for a number of months.

The semi-annual report of Tillamook county clerk June 30 shows the county to be in better financial condition than for several years. In the last six months the total bond and warrant indebtedness of Tillamook county has been reduced by \$180,000.

Umatilla county was made defendant in a damage suit when the Johnson Contract company of Portland filed a complaint asking an accounting between the county and the contracting company for work performed in 1922 and 1923 on the Pine creek road.

Stanfield sheep interests will probably move their headquarters to Baker this fall, according to a statement of Hugh Stanfield, brother of the senator. The Stanfield headquarters have been at Weiser for the past four years, having been moved there from Ontario.

There were two fatalities in Oregon due to industrial accidents in the week ending August 13, according to a statement issued by the industrial accident commission. The victims were Wilbur Pegram of Astoria and Robert Casey of Vancouver, B. C. A total of 938 accidents was reported.

Property owners who would obtain the remission of interest, penalties and costs accruing on delinquent taxes for the year 1921, based on the assessment roll of 1920, must have paid

their original tax on or before May 1 of this year, according to a legal opinion handed down by the attorney-general.

The state board of control has approved contracts for the construction of a new school building and cottage at the Woman's Christian Temperance Union farm home near Corvallis. The school structure will cost approximately \$45,000, of which \$35,000 was appropriated by the state. The cost of the cottage is \$14,952.

Ground was broken in Salem Monday for the plant of the Western Paper Converting company, which is to be erected at a cost of approximately \$200,000. The plant will be completed within three months and will employ more than 100 men. Operations will be confined to the manufacture of paper specialties.

Oregon pensions have been granted as follows: Lorena A. Bowman, Portland, \$24 a month; Arthur C. Lynn, Portland, \$15; Louis H. Houser, \$12; Elliott C. Moore, Portland, \$15; Harry E. Williams, La Grande, \$18; Pauline West, Pendleton, \$30; Edward A. Brenner, Tillamook, \$24; Anna W. Spencer, Gardiner, \$30; Sidney S. Smith, Medford, \$12.

In order to continue activities of Oregon's state-wide development organization, subscribers to the \$300,000 fund which made this work possible are being asked to re-subscribe the same amounts they gave before. Now that the work is well organized, the trustees believe that it may be carried on successfully the next two years with a fund of \$250,000.

Eight acres of land purchased by the city of Klamath Falls for park purposes five years ago for \$11,750 was sold to the Southern Pacific and Oregon Trunk railroads for \$62,000. Both rail lines sought it for trackage purposes. The Oregon Trunk purchased two acres for \$15,000, while the Southern Pacific purchased the remaining 6.2 acres for \$47,000.

Since August 1, 16 cases have come before Justice Miller at Sandy for violation of the state fire laws, among which were a number of stage and sight-seeing company operators who were arrested on the Mount Hood Loop highway by District Fire Supervisor Ferguson. It was claimed these companies failed to have the required notices posted in their conveyances concerning cigarettes.

Sales by mills of the West Coast Lumbermen's association dropped back to old levels in the week ending August 8, according to report just issued, the total having been \$8,265,964 feet. Sales of the previous week set a high record for this year when they totaled \$12,593,350 feet. The week's consolidated report covered 113 mills. They manufactured 102,088,393 feet, and shipped 99,117,633 feet.

Head of U. of O. Called by Death

Eugene, Or.—Funeral services for Prince H. Campbell, president of the University of Oregon, who died at his home last week were held Tuesday afternoon at 3 o'clock in the auditorium of the woman's building on the university campus. The body lay in state for one hour before the services in the alumni hall of the woman's building.

Services were in charge of six clergymen, who represented the state at large, Eugene and the university. Bishop Walter T. Sumner, Episcopal church of Portland, and the Rev. W. G. Elliott Jr., of the Unitarian church of Portland represented the state at large. The Rev. Henry Davis, head of the United Christian work on the campus, and the Rev. Bruce J. Giffen, university pastor for the Presbyterian church, represented the university. Dr. E. V. Stivers, pastor of the First Christian church of Eugene, and Dr. E. C. Sanderson, president of the Eugene Bible university represented Eugene.

MOUNT SHASTA WARMING UP

Activity of Crater Is Feared by Many Observers.

Redding, Cal.—Unusual conditions in the vicinity of Mount Shasta, near here, have given rise to the belief among many that the old crater is getting ready for volcanic activity.

Investigations by the United States bureau of fisheries show that water of the McCloud river is four degrees warmer than usual, that the mud flow is increasing and that grass is dying in meadows much earlier than usual.

Heat in the bowels of the mountain is believed to be the cause.

Pardon of Former Governor Asked.

Washington, D. C.—Armed with 225 letters and petitions from prominent officials all over the country, a delegation of Indiana citizens went before Attorney-General Sargent and asked for a pardon for former Governor Warren T. McCray of Indiana, serving 10 years in Atlanta prison for forgery and using the mails to defraud.

Murderers Kill Two Witnesses

Muncie, Ind.—Vengeance trailing those who testified against Gerald Chapman, bandit condemned to die for the murder of a Connecticut policeman, struck down Ben Hance and his wife near here. The Hances were shot to death on the Anderson-Muncie highway. In a dying statement Hance laid the crime at the door of George (Dutch) Anderson, pal of Chapman, and Charles (One Arm) Wolf of Muncie.

It was at the Hance home that Anderson and Chapman lived after their escape from Atlanta penitentiary and after Chapman attempted the robbery of a New Britain, Conn., mercantile establishment which resulted in the slaying of a policeman. Hance was one of the principal witnesses against Chapman following his arrest here.

\$596,690,364 Gain in Foreign Trade. Washington, D. C.—Foreign trade of the United States increased \$596,690,364 thus far this year as compared with the same period last year, the department of commerce announced.

Albany Directory

This is good advice: "If you live in Albany, trade in Albany; if you live in some other town, trade in that town." But in these automobile days many residents elsewhere find it advisable to do at least part of their buying in the larger town. Those who go to Albany to transact business will find the firms named below ready to fill their requirements with courtesy and fairness.

CENTENNIAL AT VANCOUVER

Washington's Oldest City Has Colorful Pageant of Progress. Vancouver, Wash.—Vancouver, 100 years old, Monday started celebrating the fact that it is the first city in the state of Washington to attain the century mark.

The Fort Vancouver Centennial, a celebration of the founding of the first permanent white settlement in Washington by Dr. John McLoughlin in 1825, has built its celebration around a beautiful historical pageant, in which the story of the coming of the white man is unfolded in three episodes of music, dancing and action. In addition to the pageant there is an industrial exhibition, an automobile show, which incidentally is Vancouver's first automobile show, and a big amusement section.

Connecticut Film Tax Law Held Valid New Haven, Conn.—Connecticut's law taxing motion picture films is legal and the United States courts will not interfere with collections of the tax by issuing an injunction restraining the state from putting the law into operation, according to a decision handed down in federal court here.
