

Albany Directory

This is good advice: "If you live in Albany, trade in Albany; if you live in some other town, trade in that town." But in these automobile days many residing elsewhere find it advisable to do at least part of their buying in the larger town. Those who go to Albany to transact business will find the firms named below ready to fill their requirements with courtesy and fairness.

Vermont Leads in Savings Accounts
Coolidge Home State Recorded as Most Thrifty of Nation.

Washington, D. C.—Practicing economy and thrift at home, as urged by President Coolidge in government affairs, Vermont, home state of the chief executive, has amassed greater savings deposits per capita than any other state.

With a population of only 355,000, Vermonters have accumulated \$172,585,000 in savings accounts. This figure sets a new high record for the country in giving the state a per capita ratio of \$486.15.

New Englanders are the thriftiest, and middlewesterners save less than any other section, statistics made public by the treasury department showed recently.

California is the wealthiest of Pacific states with \$2,803,910,000 in individual deposits and a per capita savings of \$386.28.

Washington and Oregon have per capita savings of \$99.50 and \$98.88 respectively.

Every man woman and child in the United States and its possessions should have had \$142.15 saved by June 30, figures showed. Savings deposits, exclusive of postal savings and demand deposits, were \$18,008,576,000 on that date with the estimated population under the American flag was placed at 126,691,000.

Individual deposits in banks of the nation, including postal savings, interest savings and checking accounts, amounted to \$46,765,942,000 on June 30. The per capita individual deposits were \$269.13.
