Recital Scheduled for Sept. 2

Mrs. Edna Rike has announced the date of her annual recital as Thursday evening, September 2.

The program will include in all about 28 numbers and will include organ and piano numbers interspersed with vocal selections.

The event will be held in the Methodist church and about twenty pupils will take part in the affair.

New Auto Firm Organized

L. W. Byerley of Albany was in town Thursday. Mr. Byerley who is well known here, having been in the produce business here at one time, has just recently entered the automobile business in Albany by forming a partnership with K. T. Carter and purchasing from Vick Brothers the Oakland-Pontiac agency for Linn county. The new firm has rented the building formerly occupied by Waldo Anderson & Son, on Broadalbin street in Albany.

BRIEF GENERAL NEWS

Oranges made California famous, and now they have come into their own at last. They now rank first in value among crops grown in the commonwealth.

The first section of cable which is to connect Germany and the United States by way of the Azores has been completed. A second section, from the channel to the Azores, will be laid next month.

Helen Wills, national women's title holder, went down to her second defeat within eight days when she lost a set match to Mrs. Mollie B. Mallory in the New York state women's title tennis semi-finals 6-8, 6-4, 6-2.

Allied troops of occupation in the Rhineland have been reduced from 78,000 to 76,000 since beginning of the year in consequence of Locarno pact, and will be further reduced to 62,000 next month in response to urgent solicitation from the German government. Of 62,000 men 50,000 will be French troops and 1200 British and Belgian.

The Mexican government rules that coal deposits are national property, as it recently declared petroleum to be property of nation and not of landholders. Now mining laws, which have just gone into force, will have tremendous effect on mining industry in which hundreds of millions of dollars of American money have been invested.

New Canadian Border Ban Looms.

Winnipeg, Man. — Labor Secretary Davis of the United States here inspecting conditions as to alien and other smuggling into his country across the western part of the southern boundary of Canada, announced that measures against contraband will be enlarged and strengthened. The United States, Davis said, will add many customs and immigration inspectors along the border. The visitor will go from here to the Pacific coast of his own country.

Fires Blacken 20,000 Acres of Timber.

Bend, Or. — Approximately 20,000 acres of central Oregon timber have been blackened by flames from a gigantic fire that has been raging in this vicinity.

Oregon Gasoline Tax Total Up.

Salem, Or.—State taxes on motor fuel oils for June amounted to \$339,688, according to Secretary of State Koser. This amount represents an increase of approximately 15 per cent over receipts for June, 1925.

President Favors "Forget-Me-Not" Day

Washington, D. C.—President Coolidge endorsed the annual "Forget-me-not day" of the Disabled American Veterans, on September 25, the eve of the eighth anniversary of the start of the Meuse-Argonne offensive.

(Continued from page 1)

reported by the observer. This is the lowest mark recorded since the start of taking of the measurements a number of years ago.

Two hundred and fifty head of cattle are reported to have died in an alarming epizootic, which for two weeks has been depleting herds near Corbett, Damascus, Troutdale, Boring, Gresham and Springdale. The disease is diagnosed as hemorrhagic septicemia.

The Jackson county court has offered a reward of \$500 for the arrest and conviction of forest firebugs to be coupled to the \$500 offered by the state for the same purpose. The action was taken following the setting by an incendiary of six fires on Evans creek.

An average of one deer a week is being killed on the highways of Oregon by reckless auto drivers, according to E. F. Averill, state game warden, who has given game wardens instructions to arrest drivers for reckless driving when the responsibility appears to rest with them.

The reclamation bureau is hurrying to completion plans for the drainage system of the Warm Springs division of the Vale irrigation project, and will advertise for bids as soon as the courts have approved the contract entered into between the Vale irrigation district and the secretary of the interior.

Receipts from timber sales in the Deschutes national forest for the 1926 fiscal year were surpassed by those of only one other forest in Oregon—the Crater. Timber sale receipts from the Deschutes forest for the past year total \$101,454.54. Receipts from similar sales in the Crater national forest amount to \$215,973.76.

Negotiations on the part of Bend for the past two years to obtain water from Tumalo creek for a domestic supply ended when the city became owner of rights to six second feet. The supply was secured from the Tumalo irrigation district, the city trading 9½ second feet of Deschutes water and paying \$25,000 for the Tumalo rights.

Papers were served on members of the public service commission at Salem in a suit filed in the United States district court in Portland to restrain the commission from enforcing an order placing the valuations of the Coos and Curry Telephone company at \$84,597 for rate-making purposes. This order was issued by the commission on April 1, 1926.

Voters of the state of Oregon at the general election in 1928 will express their attitude on the question of repealing the 18th amendment to the federal constitution, according to an initiative petition filed in the offices of the secretary of state at Salem. The petition was filed by the World War Veterans' league, of which F. O. Mercer of Portland is president.

The state game commission at its next meeting in September probably will be asked to adopt two measures to protect game fish in Oregon, according to E. F. Averill, state game warden. One measure would prohibit the use of salmon eggs in catching rainbow trout in Diamond lake and the other would make unlawful the smoking and salting of trout.

Pensions have been granted the following Oregon claimants: Patrick M. Hennebery, Portland, \$50; Fred W. Bowen, Roseburg, \$40; Emmet J. Fay, Reedsport, and Leslie R. Hale, La Grande, \$30; Fernando Fergonia and Thomas L. Parker, Portland and Uley, \$25; Charles Thompson and Oliver Jones, Portland, Stephen A. Clark, Warren, and Arthur Grimstead, Waldo, \$20.

Bids for the construction of approximately 41 miles of road and one bridge will be opened at a meeting of the state highway commission to be held in Portland Thursday, August 26. Projects for which bids will be opened follow: Benton county—Alsoa mountain-Philomath section of the Alsoa highway, 6.13 miles of grading. Benton and Lincoln counties—Eddyville-Blodgett section of the Corvallis-Newport highway, 16.7 miles of broken stone resurfacing. Jefferson county—Rubble masonry parapet wall construction in Ogden park on The Dalles-California highway near Terrebonne. Lake county—Drews valley-Lakeview section of the Klamath Falls-Lakeview highway, 18.1 miles of broken stone resurfacing. Tillamook county—Wheeler-Brighten section of the Rosevelt coast highway, 2.86 miles of grading. Jackson county—Bridge over the Rogue river on the Pacific highway at Gold Hill requiring approximately 440 cubic yards of excavation.

senate slush fund committee adjourns

Chicago.—After disclosing expenditures of nearly \$1,000,000 in the Illinois primary, the senate "slush" committee has adjourned until November when it will cite three principal witnesses to the United States senate for contempt, because they refused to answer Senator Reed's questions.
