Baby Chix

The right start is the making of your business.

We invite you to visit our farm and look over our flock of trap-nested S. C. White Leghorns.

For the last ten years we have been breeding poultry from the O. A. C. stock, the best in Oregon, and our eggs sales proves our contention.

Orders are now booked for Hatching Eggs, Baby Chix, and Breeding Cockerels for 1927 delivery.

We have also about fifty old hens of A-one stock; they are just going into moult, having laid the season through. We will let them go at \$1.00 each to make room for pullets.
