Hogs, Veal, Poultry
at Portland Market

Oregon Produce Exchange, 120
Front St.
Portland, Dec. 21.
Looking back over the past few
months of this year it is not un-
likely that at no time has a
greater demand for hogs, veal and
poultry been experienced in the
port. The market has been very
active and is showing no signs of
abating. The market for hogs is
firm and is showing a tendency to
advance. The market for veal is
also firm and is showing a tendency
to advance. The market for poultry
is also firm and is showing a
tendency to advance.

We expect a good Christmas
market for hogs, veal and poultry
and that the prices will range from
42 to 45 for hogs, 1.10 to 1.15 for
veal, and 12 to 15 for poultry.
Our opinion on the Christmas
market is that it will be a
good one. The market for hogs
is firm and is showing a tendency
to advance. The market for veal
is also firm and is showing a
tendency to advance. The market
for poultry is also firm and is
showing a tendency to advance.

Get your supplies of live
poultry as soon as possible. The
following prices are for live
poultry: Hens, 12 to 15; chicks,
10 to 12; turkeys, 15 to 20; geese,
20 to 25; ducks, 15 to 20; and
quails, 10 to 12. These prices are
for live poultry. The market for
poultry is firm and is showing a
tendency to advance.
