The Study Club

At last week's meeting of the Study club with Mrs. D. C. Rossman the eighteen members present each exhibited a curio in answer to rollcall, and this unique feature was very enjoyable.

Mrs. Melba Rossman gave the lesson on "Industrial Alaska."

An art lesson was conducted by Mrs. Marks.

Mrs. Rossman and Melba served refreshments.

Next meeting, Feb. 17 with Mrs. C. R. Evans, when, it being near Washington's birthday, a patriotic program will be put on.

The club has long sought to obtain a ground-floor location for the public library and has now taken Mrs. Frances E. Gray's building, across G street from the postoffice, where elderly and feeble people, who found the long stairs in the Oddfellows' building wearying, can visit the library in comfort.

Mrs. J. P. Templeton was quite ill last week.

Mr. Miller Sleeps Like Log, Eats Anything

After taking Adierika I can eat anything and sleep like a log. I had gas on the stomach and couldn't keep food down nor sleep. (Signed) B. C. Miller. ONE spoonful Adierika removes GAS and often brings surprising results to the stomach. Stops that full, bloated feeling. Often brings out old waste matter you never thought was in your system. Excellent for chronic constipation. Halsey Pharmacy.

You ought to have seen the bright and smiling faces of the state officials as soon as the word was spoken by Governor Patterson that gave them assurance they would have money upon which to operate their various activities. So electric was the effect of the message that within a few hours a saving of \$500,000 in appropriations was lost and \$100,000 more was added to the original deficit.—Oregon Voter.

In the legislature Representative Swan said: "Sheriffs in the state don't try to do their duty, but sit down and let balance due on taxes go to the low wows." And two bank in this county were immediately sued for delinquent taxes.

Halsey Champion Jersey Dies

A. F. Gibson's 1000-dollar Jersey cow, imported Sibyl's Green Farm Maid, died from paralysis Monday night. She was Linn county's grand champion cow when shown in competition with hundreds of others in 1925.

A prominent California breeder tried hard to get her to strengthen the show herd for the Pacific International.

The best of veterinarian skill was consulted, but without success. One doctor said there was no use trying and another said he would try.

Sibyl's Green Farm Maid leaves to her credit three daughters, the last four days old, by a grand champion sire.
