Electricity is rapidly finding its way into rural homes and taking much of the drudgery out of farm life. It milks the cows, churns the butter and does many other muscle-saving stunts all over the farm, and in the house it sweeps the floor, washes the clothes and irons them and adds comfortable years to the life of many a housewife. It is being brought from Harrisburg into farm homes down this way. Notice the advertisement of the Easy washer.

Young Wife Afraid to Eat Anything

"I was afraid to eat because I always had stomach trouble afterwards. Since taking Adlerika I can eat and feel fine." (signed) Mrs. A. Howard. ONE spoonful Adlerika removes GAS and often brings surprising relief to the stomach. Stops that full, bloated feeling. Removes old waste matter from the intestines which you never thought was in your system. Excellent for obstinate constipation. Halsey Pharmacy.
