Stomach so Bad Can't Eat Even Fruit
"For years was badly constipated and troubled with gas after eating. Could not eat fruit and many other things. Adlerika has done me good—can now eat anything." (signed) W. H. Fletcher. Adlerika removes GAS and often brings astonishing relief to the stomach. Brings out a surprising amount of old waste matter you never thought was in the system. Stops that full bloated feeling and makes you enjoy eating. Excellent for chronic constipation. Halsey Pharmacy.

Many a faithful housewife has found in the cemetery her first real rest since girlhood who would still be living, the light and joy of a large family, if to her other burdens that of slaving over the washboard and whinger with the weekly laundry for that family and then roasting over the ironing board had not been added. A new mechanical laundress has appeared and offers to carry all this load of drudgery. The Mountain States Power company is recommending it as not only washing, rinsing and smoothing the clothes but even drying them if the day is rainy. It would seem that there is nothing further to desire in that line.

Miss LaVerda Kayser of Silverton called on her grandmother, Mrs. Wheeler, Sunday. She was on her way to Noti and thence to Creswell to have her tonsils out a second time.
