

A Word With the Old Folks

Elderly People Are Learning Importance of Good Elimination.

IN the later years of life there is apt to be a slowing up of the bodily functions. Good elimination, however, is just as essential to the old as to the young. Many old folks have learned the value of Doan's Pills when a stimulant diuretic to the kidneys is required. Scanty or burning passages of kidney secretions are often signs of improper kidney function. In most every community are scores of users and endorsers who acclaim the merit of Doan's. Ask your neighbor!

Albert Rooke Makes His Comeback

Wins six-year fight for health. Now well and strong at 60. Husky as ever, he praises Tanlac

At 1830 West 39th Place, Los Angeles, lives Albert A. Rooke, a respected citizen with 38 years of active railroad experience. He tells of a very interesting experience.

"About seven years ago," says Mr. Rooke, "my stomach and liver went back on me. It was a most distressing experience. Nothing seemed to agree with me; I lost all desire for food. A sound night's sleep was out of the question, so I rose each morning tired and peevish. Then constipation developed and made life a continuous misery. I lost weight and could hardly drag myself around a good deal of the time. After six years of that I was all in. Along came the 'flu' when I had no resistance left. That was about the last straw. Nothing seemed to help me.

"On a friend's advice I tried Tanlac, and that certainly did help. I soon began to get refreshing sleep again, to eat with old-time zest. The distressing stomach and liver troubles disappeared. Briefly, Tanlac put me on my feet, with all my old-time vigor and enjoyment of life. I put on weight and after five bottles was as well as

ever in my life. That was a year ago. I'm still in fine shape, as you see. Few men of 60 are as well as I am, thanks to Tanlac." Tanlac is nature's own tonic and body builder, made from roots, herbs and barks by the famous Tanlac formula. Try a bottle—it may do for you what it did for Mr. Rooke. Your druggist has it. Over 52 million bottles sold.

If Back Hurts Begin on Salts

Flush Your Kidneys Occasionally by Drinking Quarts of Good Water

No man or woman can make a mistake by flushing the kidneys occasionally, says a well-known authority. Too much rich food creates acids which clog the kidney pores so that they sluggishly filter or strain only part of the waste and poisons from the blood. Then you get sick. Rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders often come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage, or attended by a sensation of scalding, begin to drink soft water in quantities; also get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys may then act fine.

This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help flush clogged kidneys and stimulate them to activity, also to help neutralize the acids in the system so they no longer cause irritation, thus often relieving bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink, which everyone can take now and then to help keep the kidneys clean and the blood pure, thereby often preventing serious kidney complications.
