Clock Induces Sleep!

Based on the fact that a softly humming, monotonous sound often serves to induce sleep, a clockwork apparatus patterned by a German doctor produces the desired noise for about forty minutes after winding. In order not to awaken the person using it by an abrupt cessation of the sound, this gradually becomes weaker until it finally dies away.—Popular Mechanics Magazine.

Charles Brady Regains Health

San Diego Motorman Found Difficulty Staying on Job Due to Ill Health Brought on by Severe Stomach Troubles. Marvelous Tanlac Restores Him.

"Irregular working hours and equally irregular meals," says Charles Brady, a respected San Diego resident living at 4028 Georgia Street, "robbed me of good health. Eating became a trial, for I suffered from indigestion and gas that bloated my stomach. My liver was so sluggish that I was deprived of normal strength and energy. I lost weight, too. "After reading about Tanlac I decided to try it. Immediately I began to feel stronger. My appetite returned. By the end of six weeks I was feeling like an entirely different person and was eating and digesting my food better than in years. I got rid of the sluggish, fagged-out feeling, and my strength and energy came back with vim." This amazing tonic, nature's own remedy made from roots, barks and herbs, usually builds up weak bodies, drives out causes of pain and anguish. Take Tanlac. Results are amazing. Ask your druggist for a bottle—today.

Guile and Gall

Herman Hormel, customs appraiser of New York, said at a dinner at Pierre's:

"A great many ladies, when they are caught smuggling, feel no guilt or shame whatever.

"They carry it off. In fact, like the young girl at the musicale.

"A crusty old banker strode up to this young girl and growled savagely:

"Excuse me, miss, but you're sitting on my new silk hat."

"Oh, going already, are you?" said the girl.
