Wife and Husband
Both Ill With Gas

"For years I had gas on the stomach. The first dose of Adierika helped. I now sleep well and all gas is gone. It also helped my husband." (signed) Mrs. B. Brinkley. ONE spoonful Adierika removes GAS and often brings astonishing relief to the stomach. Stops that full, bloated feeling. Brings out old, waste matter you never thought was in your system. Adierika is wonderful for chronic constipation. Halsey Pharmacy.

School Notes

(School Reporter)

The senior class entertained the student body Wednesday with a very interesting program. There were several comical readings. The members of each of the other three classes were asked to write nursery rhymes or jokes, which were read by the president of each class.

The remainder of the program consisted of: Song, by the student body; reading, "The first Pair of Breeches, by Wilbur Norton; piano solo, Louise Seefeld; reading "A Ford," Curriu Mille; song, student body; reading, Dorris Dykstra; reading, Helen Carter; reading, "When Hope Speaks Her Bo," Harry Hussey; the high school song, student body.

The following reading by Wilbur Norton is a fair sample of the fun-loving seniors' contributions:

"The First Pair of Breeches," for a bright little boy of about 5 years.

I've got a pair of breeches now,
And I'll have to be a man.
I know I can if just I try,
My mamma says I can.

I'm going to school now very soon,
And learn my A B C.
My mamma says I'm too young yet,
But I'm away past three.

And I've got pockets in my pants,
To put my pencil in,
For Mamma says that I must write
In school when I begin.

I'll soon be tall as papa now,
