MRS. BASSETT ALWAYS TIRED

Now in Good Health by Using Lydia E. Pinkham's Vege-

table Compound Lydia E. Pinkham's Vegetable Com-pound whenever I

needed it. When I first used it I was so bad I could hardly walk across the room without cryfng. I was tired all the time. I think my trouble was coming on me for six months before I realized it. I read of your wonderful medicine in the

paper, and my husband bought me a bottle, and after the first few doses I felt better, so kept on taking it until I was well and strong. I take it at times when I feel tired and it helps me. I will always have a good word for your medicine and tell anyone what good it has done me. I recommended it to my neighbor for her girl, who is sixteen years old, and it was just what she needed. She is feeling fine new and good to school over day."—Mrs. E. F. Basserr, 216 South Hayford Avenue, Lansing, Michigan. Do not continue to feel all run-down

and half sick when Lydia E. Pinkham's Vegetable Compound is sold by drug-gists everywhere. It is a root and herb medicine and has been used by women for over fifty years.

Girl Inventor Honored

In recognition of her ability as an inventor, the Russian government has engaged Miss L. Y. Palmen, a Russian girl, as engineer-constructor. She is one of the few women in the world to win distinction in her field. She recently perfected an airplane engine which develops 20 horsepower and is specially adapted to the requirements of the all-Russian conference of aerial and chemical defense.

Squaws in Bloomers

Squaws of the Glacier National park reservation ride horseback comfortably all day long with their papooses strapped to their backs. The squaws' leg dress for riding consists of "blanket bloomers," the effect being obtained by draping an army blanket across the pommel of the saddle and down across her calico dress to the stirrup on either side.
