Anyhow one side had to lose at the O.S.C.-U.O. game Friday but hanged is we didn't believe it would be O.S.C., but Schissler's a wizard when it comes to football.

Nerves is assuming the lead as a melody but not until lately has the cause been identified. Ford car registration in U. S. for 1926, 9,338,000; all others 9,870,500.

We realize the stupendous task it is to keep the rural roads of the county in the pink of condition at this time of the year but there is good work being done with the scarifier which evens up and eliminates the chuck holes.

On the front page again! Mrs Horace Dodge-Manning is back from her late honeymoon trip minus Mr. Manning who stopped off at Shanghai. Probably after something less dangerous, like for instance, a commission in the Chinese army.

The Southern Pacific is putting on a new, one-way passenger train from Eugene to Portland as a temporary move for the accommodation of local trade. The dates set are from November 17th to 27th inclusive. The time of departure here is 12:14 p. m., arriving in Portland at 3:30. Tickets good on motor coaches unless specially restricted.

A little party at a friends house and moonshine inquisitiveness on the part of two of the guests makes two new graves in the cemetery. At Portland the other night, while the host and hostess with three of the guests were out foraging hot dogs, those left behind got curious and went snooping about, and just like little babies, they had to stick everything they could get their hands on into their mouth, among other things sampling a bottle of roce spray. The third member left at the house was playing the phonograph at the time

and was saved to tell the story by his gentlemanly conduct in the home of a friend.
