## MAY DAY CEREMONY BIG SUCCESS AT SPOON RIVER

### 4-H Clubs Take Part in Celebration and Exhibit Handiwork of Their Members

A large crowd gathered at the Kirk School Saturday to witness the May Day and Club program which was scheduled for 10:30 but on account of the inability of Mrs. Edna Geer the county superintendent to be present at that time, was postponed until the afternoon.

Mrs. Nora Coleman, club organizer, spoke of the club work, its aims and the good work accomplished by clubs in this part of the county.

After inspecting the work of the club and the final reports signed the ceremonies of crowning the Queen of May took place. Margaret Harding, aged 5, was crowned queen with Margaret Carby and Betty Jean Falk, aged four, as her attendants. Eloise Babcock, 6, crowned the queen.

Betty Jean Vannice, aged 3, was flower girl, Jimmy Kirk was leader of the procession and Jimmie Vannice and Lawrence Gillette crown bearers and nearly all of the little folks near that age were in the procession.

After the program was over races and jumping and throwing contests were enjoyed by the boys and girls. The Spoon River Bachelor Sewing club and the Pollyanna Cooking club had a stand in charge of Miss Georgina Clark which netted \$4.12 for the clubs.

Dinner was served in cafeteria style, everyone having brought well-filled baskets. About 115 were present.

Guests were present from Rowland, Brandon, Center and Halsey.

### Attendance Contest Closes Sunday

The contest closes with Mother's Day services. The morning services will be merged and will include a number of specials in the way of music. The orchestra will play one special number. After church we are all going picnicking—don't forget your basket.

Every one not having flowers Sunday morning will be provided at the church door. Be there at 10 o'clock. The mother of the largest family present will receive a special bouquet. The youngest mother present will also receive one. Everyone come and bring a friend and also your Bible. Every point will be needed on this final day. The goal is 170. Crabtree is about 100 points ahead. Next Sunday we will go to Crabtree for a free dinner and afternoon service—if we win.

C. Adrian Sias, pastor. Don't forget the clubbing offer of the Enterprise and the McClure magazine, both one year for \$1.50. Either new or renewal subscriptions count.

Julia Spence, 6, at the risk of her life saved her 4-year old brother from drowning in Lake Michigan.

## C. G. HAMER INAUGURATES STAGE LINE TO SWEET HOME

### Will Conduct Regular and Scheduled Bus Line From Halsey to Sweet Home

Beginning this week, Charles G. Hamer inaugurated a schedule of bus transportation from Halsey to Sweet Home via Brownsville, Crawfordville and Holley.

The time cards give arrival and departure of the bus and also the tariff on transportation and calls for connections with all Southern Pacific passenger trains at Halsey.

This is decidedly a great advantage to those from the Calapooya Valley towns and no doubt will be well patronized.
