

Straight and True as an Arrow

When We Need Anything

TRY FIRST

To Buy It

AT HOME

EVERY time anyone spends a dollar in this community, for any purpose whatever, that dollar goes, straight and true as an arrow, toward helping to make this a better place in which to live.

It helps to build new homes, better roads, new schools, more churches. It makes possible the construction, the maintenance and the enjoyment of added comforts and conveniences for all of us.

We all want the better things of life. We want this community of ours to grow and prosper.

We are taking a big step toward the realization of our desires if we remember and practice this simple plan.
