

Driving Home Some Facts That Have to Do With Our Home Town

WE, AS CITIZENS, should look around us and realize that we have a community well worthy of our best efforts. Look at our stores, at our financial institutions, at our industries, at the standing of our professional men, at our schools and churches, at our surrounding territory, and we see a foundation on which to build for the present and future generations. We have right here at home

A Display of Business and Social Activity of Which
We May Well Be Proud—and Boast of to the World
