

Gun Club to Make Changes; Improvements Are Planned

At a meeting of the Halsey Gun Club last Friday night, among other matters up for discussion and action was the location for the new club house. The committee assigned to secure a suitable location failed to find one and the matter of a permanent home will have to be deferred for the present. It was finally decided to improve the present trap grounds and stay there for the time being. The residence just west of the traps will be thoroughly renovated and put in shape to be used as a club house. The traps will be moved to a more easterly range to improve visibility as trees nearby have been more or less a handicap as the range is now laid. This program when carried out will give the club good quarters for entertaining socially.
