

# THE OPEN PURSE

The value in money is in what it will buy—the necessities, the comforts, the luxuries of life. Money spent in this community to buy these things for its people stays here where each and every person shares in the new profits its trading produces.

Open the purse strings—not to spend foolishly, but to buy wisely. Hometown offers you full value for every dollar's worth you buy, plus the greatest of all returns on your money—
