

# Every Hour of Every Day

*We Are for Our Home Town*

- We have CONFIDENCE in its present and its future . . .
- We want this community of ours to be a good clean, healthy place in which to live . . . . .
- We want it well and responsibly governed . . . . .
- We are strongly in favor of all worthy development for local betterment . . . . .
- We feel that it will benefit each member of this community if we each buy every possible thing we can at home—keep our money here where we can profit through its spending.

*Our Interest in the Welfare of This Community Prompts Us to Sponsor This Message to the People of*
