

Salts Fine for Aching Kidneys

When Back Hurts Flush Your Kidneys as You Clean Your Bowels

Most folks forget that the kidneys, like the bowels, sometimes get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean and the moment you feel an ache or pain in the kidney region begin drinking lots of water. Also get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is intended to flush clogged kidneys and help stimulate them to activity. It also helps neutralize the acids in the urine so they no longer irritate, thus helping to relieve bladder disorders.

Jad Salts is inexpensive; makes a delightful effervescent lithia water drink which everybody should take now and then to help keep their kidneys clean.

A well-known local druggist says he sells lots of Jad Salts to folks who believe in trying to correct kidney trouble while it is only trouble.

"WORTH WEIGHT IN GOLD"

Verdict of Woman Who Tried Pinkham's Compound

Tully, N. Y.—"It hurt me to walk or sit down without help and I felt sick and weak. My mother-in-law took Lydia E. Pinkham's Vegetable Compound and she induced me to take it. I am now on the fourth bottle and have also used Lydia E. Pinkham's Sanative Wash. The medicines that will do for me what the Vegetable Compound and Sanative Wash have done are certainly worth their weight in gold. I think I have given them a fair trial and I expect to take two more bottles of the Vegetable Compound."—Mrs. CHARLES MORGAN, R. F. D. 1, Tully, N. Y.

FINNEY OF THE FORCE

How many people you know end their colds with Bayer Aspirin! And how often you've heard of its prompt relief of sore throat or tonsillitis. No wonder millions take it for colds, neuralgia, rheumatism; and the aches and pains that go with them. The wonder is that anyone still worries through a winter without these tablets! They relieve quickly, yet have no effect whatever on the heart. Friends have told you Bayer Aspirin is marvelous; doctors have declared it harmless. Every druggist has it, with proven directions. Why not put it to the test?

Aspirin is the trade mark of Bayer Manufacture of Monocetate of Acetylsalicylic acid

ASPIRIN

Little Profit to Him in Breaking Records

Edward A. Neylan, exalted ruler of the New York Elks, said at a dinner: "I am afraid our airmen and our automobile racers are trying for impossible records—impossible and deadly records. They remind me of a story.

"A tramp was complaining that he had eaten nothing for three days, when another tramp called him down. 'Aw, quit yer complainin'. A pal o' mine, old Redface Leary, went for 52 days once without food or drink.' 'Gosh! Why, that busted the world record. How did it happen?' said the first tramp, forgetting his own hard luck.

"Redface got locked up hard and fast in a box car what was left in a lonely place ten miles from nowhere.' 'Goeh! I guess most guys, before they could go 52 days without food or water, would have laid down and died.' 'Sure,' said the other tramp. 'That's what old Redface did. He croaked 'tree weeks before they found him.'"

Old-Fashioned Father

Judge Ben B. Lindsey, the champion of modern youth, said at a dinner in Denver:

"But of course youth isn't always in the right. An old-fashioned father complained to his daughter that he didn't like the daring way she dressed. 'Oh, don't you?' said the girl, and she blew a choking cloud o' cigarette smoke into the old man's face. 'Well, dad, let me tell you this—I dress to please myself.' 'But it takes,' he protested, coughing and waving the smoke away—'but it takes so darn little to please you.'"

Shouldn't

"How do the colors run in your new 'line of hosiery?' asked the lady customer. 'They don't,' replied the loyal salesman.

Make Prospecting Trip

The 130-foot schooner Patrick and Michael, with Capt. J. Alexander, has sailed from St. John, New Brunswick, for Hudson's bay with a party of 20 explorers under the command of John Edward Leckie, of Vancouver. The expedition is backed by the Northern Aerial Minerals Exploration, Ltd., in an attempt to prospect, scientifically, the north country to discover just what mineral wealth it contains.

Improves Hearing, Relieves Head Noises

Nine out of ten cases of DEAFNESS and HEAD NOISES are caused by catarrhal mucus (matter) in the Eustachian Tubes, which connects the nose and the ears.
