

Now All Together, Folks! RAH! RAH!! RAH!!! FOR OUR TOWN

Holler your heads off, folks—let the world, far and wide, know that we folks are just a great big happy family. A smile, a handshake, a cheery greeting for friend or for stranger. A strong, practical idea that it does pay each one of us great big plus returns on our money to buy everything we can from our own merchants. A pride in our town that will make every stranger wish to become one of us—and that is exactly what we do want. Join us and welcome. There's room for all—we'll do everything we can to make you glad you did come here to live.
