Christmas Dress

By L. Mitchell Thornton
in Michigan Farmer

A BOY don't care for fashions
Of foolish things like that;
A piece of silk or satin,
Or slippers or a hat,
But—I'm the one excited,
The eager one, that's me,
When Mother says she's ready
To dress the Christmas tree.

I don't think clothes important
Excepting when you're cold;
I like my sneakers roomy,
My lumber jacket old,
But I'm the one that watches,
To see all I can see
When Mother says she's ready
To dress the Christmas tree.

**Are your children's eyes
Ready for school work?**

That children may develop physically, co-ordinately with the pressure of their school work, their eyes must have immediate attention.

It is very important that children see clearly and comfortably. You will find the correction of imperfect vision will reduce nervousness and crossness, and bring about a willingness to do and new ambition to accomplish in study. Unusual advantages are offered here. You receive the expert services. Nothing is spared that your children may see as Nature intended them to.

Do not neglect your children's eyes. Have them examined now.
