

FAITH *is* AN EMBLEM OF TRUST THAT IS ALWAYS KEPT

Faith in our fellowmen is an outstanding factor in the life of this community.

Its practical application is best exemplified in our business activities wherein each worthy member of the community is extended unquestioned credit by business and banking firms.

This is a community where it pays big returns on the investment to maintain a credit rating inviolate by paying all obligations promptly when due.

Faith=A Trust Fulfilled=A Credit Obligation Promptly Met

Our Interest in the Welfare of This Community Prompts Us to Sponsor This Message to the People of
