Chamber of Commerce Elects

A Special Meeting of the Chamber of Commerce Was Held Wednesday Night to Elect Officers

At a special meeting of the Beaverton Chamber of Commerce held Wednesday evening, Mr. E. W. Woodruff was elected President, J. W. Sprague, Manager of Everybody's Store, was elected Vice President and Secretary, Mr. Doy Gray of the Bank of Beaverton, Treasurer; Frank Hoeken, E. E. Swenson and J. H. Hullett trustees for the ensuing year.

A considerable interest is being shown in the work of the Chamber and the members all look forward to a very successful year. A definite program will be worked out and meetings held at which matters that will make for the betterment of the community will be promoted.

TIGARD NEWS

H. G. Seymour, state club leader, visited at the home of E. T. Truffler at Greenburg last Tuesday.

The Ladies' Aid of the M. E. Church met at the home of Mrs. J. R. Rankin Thursday afternoon, with a good membership present.

The Old Time Dancing Club gave a dance at Bonesteel's hall Saturday evening with a good crowd present. Vincent's orchestra furnished the music.

The Ladies' Social club met at the home of Mrs. D. A. Jones Tuesday afternoon, with most of the members present. Five hundred was played and a splendid lunch served.

Helen Stiles and Virginia Parks, graduates of the Tigard schools last year, were exempt from examinations in all subjects for the first semester at Beaverton High School.

The Tigard basketball teams have been successful so far this year. A team of town boys played the Oswego team at St. Anthony's hall January 5, defeating it 62 to 44. Another team of Tigard high school boys who are attending Lincoln High in Portland defeated the Beaverton Middlets, a light-weight team of Beaverton High School at Beaverton Friday afternoon by a score of 10 to 3. The grammar school girls have developed a good team and are anxious to get games with similar teams from neighboring towns, even being willing to play freshmen and sophomore teams of high schools.

COUNTY AGENT NOTES

At the Annual meeting of the Washington County Holstein Club held in the Chamber of Commerce rooms at Hillsboro last Saturday W. N. Hathorn of Laurel was re-elected president, A. J. Evers, of Verhoort, vice president, O. T. McWhorter, Hillsboro, Secretary-Treasurer, and Mrs. Robt. Warrens, of Forest Grove, and J. A. Lindlow of Bethany, directors.

The object of the Washington County Holstein Breeders' Association is to promote better dairying with special reference to the Holstein breed.

During the past year the association has actively assisted the promotion of Holstein Calf Club work in which activities there were 19 members. John Walter of Laurel, a club member won the grand championship in the female Holstein classes at the Banks Hog and Dairy Show on a Holstein Calf heifer. At the Oregon State Fair John won in his class in the Club division, as also did Antone Vandecovering with his senior yearling Holstein pure bred. Frank Peters, a Holstein Calf Club member of Scholls community won honors as a member of the Livestock Judging team competing at the Pacific International.

W. N. Hathorn, and A. J. Evers were elected to act as delegates at the State meeting of Holstein Breeders to be held in Portland soon.

The next meeting of the club will be held January 26th in the Chamber of Commerce rooms at Hillsboro. Important matters including assisting the Oregon State Dairymen's association meeting at Hillsboro in February will be discussed.

OBITUARY

Mrs. Sophia Juergensen

Sophia Juergensen was born November 10, 1859 in Schleswig-Holstein in what is now Germany where she was duly baptized and received a common school education. At the age of 20 years she entered into holy wedlock with Hans Juergensen. Two years later they emigrated to America and soon settled in Oregon.

The deceased was the mother of four children, one of whom died in infancy. For the past two years the Juergensens lived on a ranch near Beaverton, together with their son, Carl.

Mrs. Juergensen took sick on the 4th day of January with pneumonia and a week later succumbed to the disease. Her end came unexpectedly. Her good husband heard her moan, they walked to the bed a moment later to see what he could do for her and found that she had breathed her last. She had attained the age of 64 years, 2 months and one day.

Interment was made under the direction of W. E. Pegg, Beaverton Mortician in the cemetery of the St. Paul's Lutheran church near Sherwood after services in the church conducted by Rev. Fr. Westerkamp.

Mrs. Juergensen had many friends and was known to be a kind and affectionate wife and mother. The immediate members of the family that mourn her demise are her husband, Hans Juergensen, her two daughters, Mrs. Dora Couzelmann of Sherwood and Mrs. Katherine Christiansen of Oregon City and her son, Carl Juergensen of Beaverton.

Adam Spies

One of the old residents of this vicinity passed away the other day when Mr. Adam Spies of Elmtonia died. He had been a resident of Washington County for almost forty years. The funeral was held from the Union Chapel Tuesday and interment was in Union Cemetery.

Besides a host of friends and neighbors, the following near relatives survive to mourn the loss of their husband and father: Mrs. Adam Spies of Elmtonia, his wife; John and Carl Spies, who live near where their father resided, and a daughter, Mrs. Louise Fassler of Portland.

THE TEN FUNDAMENTALS

Simply to live, breathe and move should be a delight. The science of life consists of knowing how to give one's life. Good sense is capital slowly and painfully accumulated by the labor of centuries.

One takes great care of an expensive automobile for fear that one of its vital parts might be broken and the entire mechanism rendered useless. How much more should the individual fare for his own body.

Humanity lives and has always lived on some elementary or fundamental provisions. The more simply you live the more you safeguard your future.

The following simple rules are suggested to assist the individual to adjust himself to his surroundings. Personal hygiene consists of the physical adjustment of an individual to his surroundings.

1. Have fresh air where you live and work.
2. Breathe deeply, slowly and regularly.
3. Eat slowly, regularly, and moderately simple natural foods.
4. Keep clean, internally and externally.
5. Do not allow poisons and infections to enter your body.
6. Exercise an intelligent control over your nervous system.
7. Work efficiently and diligently eight hours.
8. Play constructively and intelligently eight hours.
9. Sleep out doors or in a well ventilated room eight hours.
10. Have an expert examination at least once a year.

W. C. T. U. MEETING HELD

A meeting of the W. C. T. U. was held at the home of Mrs. Geo. Gray on Wednesday afternoon. The usual business was transacted, followed by a very interesting talk by Mrs. Mary Mallett, State President. She also addressed the pupils of the Beaverton High School, this being the fourth anniversary of the passing of the Volstead act.

Accident on Canyon Road

Two Cars Come Together Around a Bend in the Road. Both Cars Badly Damaged

What might have been a very disastrous accident happened on the Canyon Road last evening. A machine driven by P. Holsheimer of Elmtonia crashed into the roadster driven by Max Muller locally known as a breeder of police dogs. Both machines were badly wrecked.

The accident happened on the sharp turn just west of Sylvan. Muller was driving toward Portland and the Holsheimer machine in making the turn attempted to cut the corner just a little with the result that the machines locked wheels but Muller's machine being lighter was forced clear of the road and had it not been that the ground was soft and stopped the wheels when they sank into the wet soil, the machine would have gone over the bank which is 15 or 20 feet high there. As it was no one was hurt.

Holsheimer claims that the Muller machine had no lights and that it was dark.

Tualatin

The junior class of the Tualatin High School gave a "circus" at the gymnasium Saturday evening.

Frank Walgraves has shipped three tons of carrots to Portland. Mr. Hedges has shipped thirty sacks.

Mrs. Walter Dickinson and son Junior of Oswego have been visiting with Mrs. Dickinson's parents, Mr. and Mrs. J. L. Byron.

Mrs. Ida Gravlin and mother Mrs. J. M. Finch, of Kirby, and B. M. Grave of San Francisco are visiting with Mrs. Gravlin's sister, Mrs. Wm. Hauxhurst.

Mrs. Melvina Robinson and daughter of Salt Lake City are visiting M. and Mrs. E. A. Robinson and Mrs. Lizzie Robinson, relatives. They plan to locate at Salem.

Thomas Nicholson, who died following an operation for gall stones, was buried in Portland Wednesday. He had resided in Tualatin for three years, and was an ex-soldier. Mrs. L. M. Grimes of Portland is a sister.

Returning home from a funeral at Tigard of Viola Hel, Mrs. Victoria Scherling was thrown from the automobile in which she was riding as the car rounded the Tualatin loop. She suffered injury to her head that necessitated several stitches.

Mr. E. G. Clark of Cedar Mills was in town on business Tuesday. He has recently taken the agency for the Missouri Life Insurance Co. and reports that he is doing very well at his new work.

COUNTY AGENT NEWS

Ferd Gagner of Scholls will act on the horticultural committee, and J. C. Leedy of Sherwood on the vegetable committee at the Agricultural Economic Conference to be held in Corvallis January 23 to 25. This conference is planned for the purpose of adopting a comprehensive program of production and marketing in support of which all agencies can unite.

Numerous problems present themselves to growers of various kinds of farm produce. As for instance, attention is called to the fact that the prune crops of 1921 and 1922 did not move into the traffic as rapidly as they should and that as a result a large surplus accumulated. Packers found themselves with considerable money tied up in prunes that could not be sold. With the 1923 crop coming on they decided to take loss on the 1922 carry-over, and began to cut prices. Markets were demoralized and consumption accordingly reduced. The prune section of the conference will have these facts before it and some efforts will be made to accomplish the organization of some kind of a unified marketing system.

The dairymen are meeting to consider such questions as follows:

1. The fact that Oregon has become a dairy exporting state—the period 1916 to 1920. (For figures see bulletin 367.)
 2. Are there at the present time adequate manufacturing facilities to care for the increasing surplus of dairy products? Do we need more creameries, cheese factories, or condenseries?
 3. The economic effect of oleo on the butter trade.
 4. The necessity for quality in the manufacture of butter, and ways and means of getting that quality. A state brand for butter needed?
 5. Increasing efficiency of production, through larger herds, better sires, disease control, and better feeding.
- Potato growers will discuss present grades of potatoes and seed improvement, and so on down through the list of all of Oregon's agriculture.
- Farmers are urged to attend this conference and take part in the discussions, and help formulate the plans which will go forth from the conference.

HUMOROUS PLAY WRITTEN BY LOCAL WRITER

Earl E. Fisher has been busy during the recent holidays preparing the M. S. S. on a comic play entitled, "Old Bingo Gets Revenge." Fisher made up the play. During past years he has put on "Bingo" at Skookumville, West Union, Phillips, Oregon, Beaverton, Progress, Cooper Mountain and last Christmas at McKinley. Every place shown it seemed to be a "howling success." People laughed and then laughed some more. It is typical of the Far West, being full of action and fire.

The writer thought it made crowds laugh around here, why not have the play printed and let 'em all laugh! It will soon be ready for the printer.

Basket Ball Season Opens

Beaverton Girls Defeat Hillsboro 23-14, Hillsboro Boys Win Final Score 24-27

The game between Hillsboro and Beaverton of last week opened the basket ball season in the Gymnasium at the high school here. A large and vociferous crowd had gathered when the ball was tossed up in the center of the court. They gave the locals every encouragement though the visitors were generously cheered whenever they made a good play.

Beaverton's girls' team is light but hard to beat. An immense amount of credit is due to whoever developed this bunch for they are on their toes all the time. From the time the ball ascended in the center of the court there was no doubt of which of the girls' teams would win. The Hillsboro team outweighed the Beaverton by a considerable margin and the visitors were able to pick the local girls off their feet and swing them around in almost every sort of fashion. But throwing the opponents around does not win basket ball games. It is the quick eye, the ability to make quick decisions and the agile movements that win. Final score, Beaverton 23, Hillsboro 14.

The Hillsboro boys' team outweighed the local considerably but had the faculty of being on their toes which wins games. The locals in the first half seemed to lack that. Then they tried the difficult feat of making baskets from long distances, playing to the grandstand, so to speak.

But enough of this criticism. The boys got into the game in the last half and did themselves proud. Seldom was there an opportunity to score but they succeeded. Perhaps "Mike" gave them a talking to during intermission, or perhaps they just woke up. At any rate they played a brilliant game during the last half and made a splendid gain over their opponents. At the end of the first half the score stood five to sixteen in favor of the visitors but at the end of the game the score was 24 to 27. Had there been a few minutes more to play, there was a good chance of tying the score or even of winning the game.

A large number of rooters accompanied the team to Forest Grove. The girls' score was six to five in favor of Forest Grove, and the boys thirty three to thirteen in favor of Forest Grove. The next game is scheduled at Corbett.

Representatives from Coos and Curry counties in Oregon and Del Norte county, California, gathered at Marshfield Thursday night to forward road work on the Roosevelt highway.

not have the play printed and let 'em all laugh! It will soon be ready for the printer.

FROM OUR CORRESPONDENTS

Interesting Little Notes from the Surrounding Country as Told by Our Active Special Correspondents Weekly

McKINLEY NEWS

Light! Lights! Shine!

Edward Moshotsky bought a cow and horse recently.

Trachsel Brothers are digging out some stumps this week.

Walter Zuercher is building a new fence on his home place.

Albert Mulford was a visitor at the Wickham home recently.

Fred Stoffer has been busy cutting wood near Bethany of late.

Edward Meier has a contract grubbing stumps near Elmtonia.

Ernest Shane is planning on repairing the road soon to the Larsen place.

Should any of the boys run out of chalk, see Henry Schlottmann. He has a big supply on hand.

Coming events at the school are a big ciphering contest Friday and a fine time St. Valentine's day.

The only paper printing the McKinley News is the Beaverton Review. Subscribe now, \$1.50 per year.

Santa Claus left two big sacks of candy at the school house for Erwin and Edith Stoffer. They are still there.

Ernest Losli was in Portland Sunday and left his car parked along one of the streets. When he returned someone had stolen the Ford.

Ham and Eggs Wholesale! Henry Schlottmann the hustling store-keeper at Elmtonia hauled to Portland, Saturday, six dressed porkers and forty-one cases of eggs.

George Fowge is blasting stumps this week. Christmas he had a job running the "Olson Ranch" now he is putting the stumps on high! Every time he lights the fuse he yells "Coming up Bingo!"

The fifth grade Geography class composed of Edwin Losli and Benjamin Brandt have mastered the names of all the 48 states and capitals. Its a long, long trail from Maine-Augusta Oregon-Salem but the boys know 'em all!

Everything is running just fine down at the school. The girls play ball and the boys, "Lost Sheep". This time the 2A class are committing the 16's and the 3A's will soon have the 17's memorized. Ciphering contests every day. Drawing and vocal music are popular subjects. Old time songs sung this week were "You Wore a Tulip" and "When the Flowers Bloom in Spring".

Harry Lee is quite ill with the measles.

Dr. Via was in Burrville Sunday morning.
