Mr. S. Speake was down from Arlington to spend Sunday with his family here.

Mr. W. J. Hebdorn of the Banks Union High School was in town Saturday looking for the place "where the Herald was published." That is something like the people of Beaverton speaking of the Beaverton "Times".

Business is built on sentiment to a very great extent. If a fellow comes into my place to buy his goods it is quite likely that I'll buy what I need in his line from him.

But where there is a hardware man in town and the grocer goes to the big city to buy his plumbing supplies, it is not very likely that the hardware man will feel that he should buy his groceries from that grocer.

The banker perhaps needs some hardware for his new house. He goes out of town to buy it though there is a store right in town that would have let him have the goods just as cheap, or at least almost as cheap. Can you blame others for going to the big city when the business men themselves of the little town go to the big city instead of buying what they can get at home.

Have you heard the tale of the rabbit? It's only a short one.

Have you heard the story of the man who walked through two states carrying a paper sack filled with water? I guess it hasn't leaked out yet.

NO ACCIDENT RECORD WON BY S. P. SECTION FOREMAN

John W. Kelly has been a section foreman for the Southern Pacific Company for 42 years and during that time has never found it necessary to make out an accident report for himself or any other member of his crew of track laborers.

By this record Kelly has just won the distinction of being the "champion 'no accident' foreman of the railroad. He has been a foreman since 1882 and in establishing his record has worked on sections of the railroad in Oregon, California, Nevada, New Mexico, Utah, and Arizona.

Ah! Backache Gone Rub Lumbago Away

Clean Kidneys By Drinking Lots of Water

Take Salts to Flush Kidneys if Bladder Bothers or Back Hurts

Eating too much rich food may produce kidney trouble in some form, says a well-known authority, because the acids created excite the kidneys. Then they become overworked, get sluggish, clog up and cause all sorts of distress, particularly backache and misery in the kidney region, rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.

The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, begin drinking lots of good water and also get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys may then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to flush clogged kidneys and stimulate them to activity; also to neutralize the acids in the system so that they no longer irritate, thus often relieving bladder disorders.
Jad Salts can not injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to help keep the kidneys and urinary organs clean, thus often avoiding serious kidney disorders. By all means have your physician examine your kidneys at least twice a year.

STOP CATARRH! OPEN NOSTRILS AND HEAD

Ely's Cream Applied in Nostrils Relieves Head Colds at Once.

If your nostrils are clogged and your head is stuffed and you can't breathe freely because of a cold or catarrh, just get a small bottle of Ely's Cream Balm at any drug store. Apply a little of this fragrant, antiseptic cream into your nostrils and let it penetrate through every air passage of your head, soothing and healing the inflamed, swollen mucous membrane and you get instant relief.

Ah! How good it feels. Your nostrils are open, your head is clear, no more headache, dryness or struggling for breath. Ely's Cream Balm is just what sufferers from head colds and catarrh need. It's a delight.
