terns stand preeminent in the
world of fashion. It is the
largest service that is possible
for the home merchant to render
for home sewing. An "over
the counter" service. J. W.
Sprague.

KEEP OUR STREETS CLEAN

No matter how much money
may be spent to improve the
streets and walks of a town, it
won't count for much unless
the people co-operate. There are
many folks who, when they buy
a bag or paper box of fruit or
candy, will throw the same away
in the street when the eatables
are disposed of. So a town that
has had a thorough cleaning
may in a week or two look just
as disorderly as ever.

People should no more throw
such stuff away in the streets
than they would in the parlors
of their own homes. It would
be a fine thing if only the peo-
ple who throw this litter around
could be made to go around af-
terward and pick it up.

Otto Erickson won the honors.

Fight the School Book Trust

German in High Schools

Automobile licenses in Oregon
are the highest on the Pacific
Coast. Now is the time to fight
for a reduction—the only way to
reduce license is to reduce! An
automobile should be a pleasure
and not a burden. Give the auto
truck driver in Oregon a square
deal and a reasonable license,
his business is legitimate. The
Rail Road Lines do not like
competition, but the farmer and
business men of Washington
County demand service.

Senator.

TO THE PUBLIC

I have filed my petition for
Primary Nomination by the Re-
publican voters of Washington
County, Oregon, for the office
of Sheriff, and in view of the
facts that many erroneous state-
ments have been made as to my
attitude on the wet and dry
question I take this opportunity
to state that if I am elected
Sheriff of this county, I will
make it bone dry.

Dated at Forest Grove, Oregon
this 15th day of April, 1924.

took the little fellow to Hills-
boro to Dr. Robb. The burns are
healing rapidly.

On Thursday April 10, a num-
ber of people gathered on the
hill at noon, all bring-
ing lunch and serving it there.

After lunch they visited the
school. Most of them were the
mothers of the children, so
Miss Bloyd turned the day into
mother's day. Miss Bloyd gave
a little program, asking all pre-
sent to take part. Those present
were: Mrs. John Bunke and
Irene, Mrs. Bertha Borens and
Edward, Mrs. Ed Miller and Ed-
ward, Mrs. R. Hobin and Olive,
Vedna and Gerald.

Mrs. Wm. Brimmer and Delmer
and Velden, Lucy Bloyd, and Mrs.

GUERNSEY GAITIES

POSTPONED

On account of the foot and
mouth disease in California the
local Guernsey breeders' com-
mittee decided to postpone in-
definitely the Oregon Guernsey
Gaities which were to have been
held in this county April 30th,
May 1st and May 2nd.

While the danger in a year
might be remote it was the
opinion of the group assembled
that they did not care to take

the chance of spreading this
disease, which is very serious
in parts of California. It is re-
ported that the loss to Califor-
nia stock men will be in the
neighborhood of \$3,000,000.00.

Have Kidneys

Examined By

Your Doctor

Take Salts to Wash Kidneys if
Back Pains You or Bladder
Bothers

Flush your kidneys by drinking a
quart of water each day, also take salts
occasionally, says a noted authority, who
says that too much rich food forms
acids which almost paralyze the kidneys
in their efforts to expel it from the
body. They become sluggish and
weaker; then you may suffer with a
dull misery in the kidney region, sharp
pains in the back or sick headache, dizzi-
ness, your stomach sour, tongue is
coated, and when the weather is bad
you have rheumatic twinges. The urine
gets cloudy, full of sediment, the chan-
nels often get sore and irritated, obliging
you to seek relief two or three times
during the day.

To help neutralize these irritating
acids, to help cleanse the kidneys and
flush off the body's urinous waste, get
four ounces of J. I. S. Salts from any phar-
macy here; take a tablespoonful in a
glass of water before breakfast for a
few days, and your kidneys may then
act fine. This famous salt is made
from the seed of grapes and lemon juice,
combined with lactic acid and has been used
for years to help flush and stimulate
sluggish kidneys; also to neutralize the
acids in the system so they no longer
irritate, thus often relieving bladder
weakness.

J. I. S. Salts is inexpensive; can not in-
jure and makes a delightful efferves-
cent lithia-water drink. By all means
have your physician examine your kid-
neys at least twice a year.

TRY SULPHUR ON

AN ECZEMA SKIN

Costs Little and Overcomes
Trouble Almost Over
Night

Any breaking out of the skin, even
fever, itching eczema, can be quickly
overcome by applying Menthio-Sulphur,
declares a noted skin specialist. Be-
cause of its germ destroying properties,
this sulphur preparation instantly brings
ease from skin irritation, soothes and
heals the eczema right up and leaves
the skin clear and smooth.

It seldom fails to relieve the torment
without delay. Sufferers from skin
trouble should obtain a small jar of
Rowles' Menthio-Sulphur from any
good druggist and use it like cold
cream.
