The makers of shoe leather will not probably oppose the movement to promote walking.

Among the birds that have been coming north are those who travel by the freight car special.

Some of the people who talk at the greatest length claim there is no free speech in this country.

The societies formerly existing to pursue horse thieves can find plenty of work in getting after those who steal autos.

The slow pay folks can't see why all this perfectly good paper stock and printing should be wasted in sending them monthly bills.

The automobile driver who owns the whole road would get along fine, only occasionally he meets one who claims the same space.

The business experts tell us that we must have confidence, still it is desirable to look at peoples' collateral before lending them money.

Some people think the monkeys are too ignoble ancestors for the human race but the monkeys never exterminated each other with wars.

Many of the voters would have been willing to get out and support good government if some one would have given them a ride to the polls.

Formerly dancing was controlled by the chaperones, but before long it may be necessary to call in the police and have the riot act read.

Some people think they can spite the political bosses, and machines by not voting, which is just what many of these bosses, and machines want.

President Coolidge has now been in office seven months, and some 110,000,000 American citizens have not as yet been appointed to any public office.

Some of the women folks who a few years ago were terribly anxious to vote have to be urged now to read the newspapers to learn how they ought to vote.

except Mr. Howard Boyd, who the day before election came in to the office and inquired whether I was going to run. I told him that I would allow my name to be used if there was no other candidate.

When I went up to vote after noon I was surprised and shocked to hear that there was an organization backing me and that Mr. Thyng was an opposite candidate.

I have been assured since the election that my name was spoken of by the election board as a candidate for several other offices which is born out by the record of the vote. I have also been assured that it is the tactics of the Recorder to keep his organization in line to deny that he is a candidate before every election but to have his wires pulling at all times very similarly to the methods used by Boss Murphy and others of Tammany Hall. If he was a candidate why not announce it over and above board? Is it that he is like the fellows spoken of in the Bible who "prefer darkness to light?"

Now if Mr. Thyng has any

thing to say in reply to this, has any defense for that kind of action we offer to publish anything that he cares to submit, free of charge, without one cent of cost to him. If he has nothing to say for that kind of action it is practically an open admission that they are indefensible.

Red Pepper Rub is the cold remedy that brings quickest relief. It cannot hurt you and it certainly seems to end the tightness and drive the congestion and soreness right out.

Nothing has such concentrated penetrating heat as red peppers, and when heat penetrates right down into colds, congestion, aching muscles and sore, stiff joints relief comes at once.

The moment you apply Red Pepper Rub you feel the tingling heat. In three minutes the congested spot is warmed through and through. When you are suffering from a cold, rheumatism, backache, stiff neck or sore muscles, just get a jar of Rowles Red Pepper Rub, made from red peppers, at any drug store. You will have the quickest relief known.

USE SULPHUR TO HEAL YOUR SKIN

Broken Out Skin and Itching Eczema Helped Over Night

For unsightly skin eruptions, rash or blotches on face, neck, arms or body, you do not have to wait for relief from torture or embarrassment, declares a noted skin specialist. Apply a little Menthosulphur and improvement shows next day.

Because of its germ destroying properties, nothing has ever been found to take the place of this sulphur preparation. The moment you apply it healing begins. Only those who have had unsightly skin troubles can know the delight this Menthosulphur brings. Even fiery, itching eczema is dried right up.

Get a small jar of Rowles Menthosulphur from any good druggist and use it like cold cream.

MONUMENTS

Look from now on you can purchase Monuments and Markers in both Marble and Granite for a great reduction in price from 10 to 25 percent. Come and be convinced. Corner 4th and Main Streets, Hillsboro, Oregon.
